General Information

NATURE OF THE COLLEGE

Chowan College is a two-year, co-educational college owned and supported by the Baptist State Convention of North Carolina.

Chowan follows in the time-honored tradition of smaller, church-related colleges where one finds such advantages as a real sense of "belonging" to the college family, sound academic instruction, economy in tuition and boarding expenses, and a definite interest in the individual on the part of faculty and administration.

Chowan is the second oldest (1848) of North Carolina's seven Baptist Colleges.

While the enrollment of Chowan is about 1,000 students, with a plant evaluation of more than \$13,000,000, the trustees and administration are determined that quality rather than quantity shall always be the primary consideration.

Chowan College exists for the student and seeks to fulfill its stated purpose within a framework of academic excellence, while maintaining a genuine Christian concern for every student.

By action of the Board of Trustees of Chowan College, the college is operated on a non-discriminatory basis as regards race, sex, creed or color. This includes employment, admissions, housing, scholarships and grants-in-aid, and public functions.

PURPOSE OF THE COLLEGE

Chowan College, influenced by Christian ideals, endeavors to provide quality higher education and to help students gain a philosophy of life which will lead to their development into responsible Christian citizens and leaders.

The college seeks to fulfill the purpose through the following means: (1) employing faculty and staff who are compatible with the college's statement of purpose; (2) offering instruction in the standard academic disciplines for those students who plan to earn baccalaureate degrees in senior institutions; (3) providing vocational instruction, on a liberal arts foundation, for the ones who wish to terminate their formal education with one-year diplomas or two-year associate degrees; and (4) striving to meet the personal needs of the individual student through academic, social and spiritual counseling.

HERITAGE

Chowan College first opened its doors on October 11, 1848, as a result of interest and influence of the Baptists of Northeastern North Carolina and Southeastern Virginia. For 62 years, the institution was known as the Chowan Baptist Female Institute; in 1910, its name was changed to Chowan College.

The college was first located on the old Hertford Academy lot and it used the Banks Building and equipment. Three years later the college moved to McDowell Columns, a building which serves today as the campus administration building.

Chowan College remained open during the Civil War, although a number of southern colleges closed. By the latter part of the 19th Century, Chowan was recognized throughout the South for its high standards in scholarship and culture.

The 20th Century brought continued progress to the college by the way of additional buildings and equipment and the maintaining of consistently high standards. However, due to a shortage of students occasioned by World War II, the college closed its doors in 1943. Since its reopening in 1949, Chowan has had a phenomenal growth both in enrollment and physical facilities. It also received full accreditation from the Southern Association of Colleges and Schools in 1956. Chowan is today recognized as one of the outstanding two-year colleges in the nation.

Following is a chronicle of some of the important events in the life of Chowan College:

May 19, 1848 — Chowan Baptist Association approves establishing Chowan Female Institute; names Board of Trustees.

October 11, 1848 — First session begins with Archibald McDowell, Principal; 11 girls arrive and register for classes.

November 21, 1849 — Trustees approve financing of institute through Joint Stock Company.

July 4, 1851 — Laying of cornerstone for Columns Building.

August 10, 1853 — Annie J. Ward receives first "four year diploma."

July 6, 1859 — Joint Stock Company relinquishes control of institute to Board of Trustees.

June 22, 1880 — First major attempt to raise permanent endowment.

May 10, 1910 — Organization of Alumnae Association.

May 17, 1910 — Name changed to Chowan College.

May, 1911 — Publication of "Alaska Nuggets" (first yearbook).

May, 1913 — First issue of Chowanoka.

Fall, 1914 — Organization of first Student Government Association.

May 20, 1920 — Town of Murfreesboro pledges to pay indebtedness of College in amount of \$22,500.

September 27, 1923 — First issue of Chowanian.

April 16, 1924 — North Carolina Department of Education recognizes Chowan as "Standard 4-Year College."

September 10, 1931 — First men admitted as full-time students.

September 1, 1937 — Chowan begins operation as a junior college.

4—General Information

May 17, 1943 — Trustees recommend suspension of operations due to present emergency conditions.

1943-1947 — College remains closed; Board holds occasional meetings.

March 18, 1947 — Special meeting of Chowan and West Chowan Baptist Associations vote to reopen Chowan (Edenton meeting).

March 19, 1948 — "Victory Night", \$100,000 reported raised towards reopening.

September 13, 1949 — College reopens with B. D. Bunn, President; 130 students enroll.

July 23, 1951 — F. O. Mixon succeeds Bunn as President.

May 29, 1953 — Mixon authorized to proceed with construction of a Graphic Arts Building.

May 4, 1954 — Construction underway on gymnasium; men's dormitory (Mixon Hall).

September 21, 1955 — Excavation completed for science building (Green Hall).

September 20, 1956 — Askew Student Union ready for use.

October 28, 1956 — Death of President Mixon; Oscar Creech named Acting President.

November 1956 — Chowan receives full accreditation by Southern Association of Colleges and Secondary Schools.

March 25, 1957 — Bruce E. Whitaker elected President.

October 25, 1958 — Dedication of new women's dormitory (now Jenkins Hall).

November 2, 1959 — New college cafeteria dedicated. (Thomas Cafeteria).

October 12, 1960 — Dedication of new men's dormitory (East Hall).

September 14, 1963 — First use of new college stadium.

May 6, 1964 — First classes held in Robert Marks Hall.

October 17, 1964 — Dedication of men's dormitory (West Hall), women's dormitory (Belk Hall), and cafeteria annex.

February 22, 1965 — Board authorizes creation of Board of Advisors.

Summer, 1965 — Completion of Penny Infirmary.

July 12, 1968 — Whitaker Library and new Daniel Hall (fine arts) ready for occupancy.

June 2, 1969 — Contract awarded for construction of men's dormitory (Parker Hall).

February 21, 1972 — Ground breaking ceremonies for new science-engineering facility.

May 19, 1974 — New science-engineering facility dedicated and named Carrie Savage Camp Hall.

CAMPUS

The college's campus consists of 235 acres. The main campus is monumented with ancient pines and majestic oaks. A circular drive (seven-tenths of a mile in length) provides easy access to the campus facilities and encircles a beautifully landscaped oval lawn, which is divided by historic Pine Walk, the main approach to the graceful McDowell Columns.

Numerous new buildings, of both contemporary and modern design, provide comfortable space for living and study. Ten of these buildings — three dormitories, four classroom buildings, cafeteria, infirmary, and library — are fully air-conditioned.

BUILDINGS

McDowell Columns Building, erected in 1851, is a beautiful brick and concrete structure, with massive columns and broad veranda, so characteristic of the old South. This structure contains the administrative offices of the college. A later addition to "The Columns," the **South Building**, contains additional administrative offices, an indoor swimming pool, and an auditorium with a seating capacity of 600.

Whitaker Library, a three-story contemporary structure of modern design, was constructed in 1968 to shelve 100,000 volumes and contains space for 330 students and faculty in several reading areas. Also housed in this structure are the Baptist Collection and items of historical interest to Chowan College and the region of Northeastern North Carolina and Tidewater Virginia.

Daniel Fine Arts Building, a modern structure erected in 1968, contains space and equipment for music, drama, and art, including practice rooms and choral rooms for various musical organizations active on campus and functioning as part of the Department of Fine Arts. The office of the Chaplain to the College and an activities room for the Baptist Student Union - Campus Christian Fellowship are also housed in this facility.

Green Hall, erected in 1956, served as the science building until 1974, when science instruction was relocated in a new structure. This facility has been renovated and now houses the Division of Art of the Department of Fine Arts.

Askew Student Union, located on the banks of a beautiful tree-studded ravine, houses student recreational facilities.

Robert Marks Hall was erected in 1963-64 and dedicated in May of 1964. Marks Hall is a three-story building of contemporary and modern design housing 23 classrooms, 22 faculty offices and equipment for closed circuit television. An outstanding feature of this facility is a large 175 opera-type seat lecture hall. The building was provided primarily by gifts from the family of the late Roberts Marks of Boykins, Virginia.

Carrie Savage Camp Hall, constructed in 1972-73, houses the Departments of Science and Mathematics. This new, air-conditioned, three-story structure contains eleven laboratories equipped for learning in biology, chemistry, botany, physics, micro-biology, and anatomy-physiology, an environmental study area, eleven classrooms, departmental and faculty offices, and a 110 seat auditorium. It contains 45,600 square feet of instructional space. Carrie Savage Camp Hall dedicated on May 19, 1974, is named in memory of Carrie Savage Camp (Mrs. J. L. Camp, Sr.), class of 1881. Miss Savage was the daughter of the Reverend Robert Risop Savage, chairman of the Board of Trustees of Chowan College, 1879-1889.

Penny Infirmary, erected in 1964, was provided primarily by the late Mrs. W.S. Penny of Raleigh. The facility serves both men and women with two floors of space, including treatment rooms, wards and complete air-conditioning.

6—General Information

The Gymnasium is for indoor physical education activities and athletic events. The building also has classrooms for physical education purposes, dressing rooms for physical education classes, visiting teams and home teams. The feasibility of constructing a new gymnasium/field house is currently being studied.

McSweeney Hall houses the Department of Graphic Arts and Photography. This unique department of the college was made possible by newspaper publishers of North Carolina and Tidewater Virginia. The first building (40' x 70') was erected in 1953; a 40' x 60' addition was completed in 1956. In 1962 members of the North Carolina Press Association contributed funds for the erection of a modern and attractive addition that doubled the floor space. The building was named in honor of John McSweeney, first chairman of the department and now Professor-Emeritus of Graphic Arts.

Thomas Cafeteria, erected in 1959, is fully air-conditioned. It provides the main dining area and private dining rooms for special meetings of students, faculty, or other groups. During the summer of 1964 an addition was made to the cafeteria which doubled the dining area and now provides a student store and related facilities. This structure is named in memory of Dr. R. P. Thomas, long-time member of Chowan's Board of Trustees.

The President's Home is a two-story brick house at the entrance to the campus.

Belk Hall for Women, erected in 1964, is a three-story brick building. It houses 200 students and is fully air-conditioned. The structure is completely modern in design and provides lounges on each floor as well as convenient built-in furniture. The hall is named in honor of Mrs. Irwin Belk, Charlotte, North Carolina.

Jenkins Hall for Women, erected in 1958, is a modern and functional unit which provides attractive and desirable accommodations for young women at Chowan. The residence was named in memory of Charles H. Jenkins and in honor of his mother, Mrs. Olivia Benthall Jenkins.

College Street Residence for Men, acquired in 1964, was renovated completely and now provides residence for 36 students. It includes modern facilities, lounges, kitchenette and an apartment.

The F. O. Mixon Hall for Men, a two-story residence hall erected in 1954, accommodates 100 students. It has lounge space and an apartment for a dormitory resident.

East Hall for Men, was erected in 1960. The three-story brick building provides living accommodations for 118 students.

West Hall for Men was erected in 1963. The three-story brick building houses 216 students. It contains lounges on each floor, lavatories in each room, convenient built-in furniture and is fully air-conditioned.

Parker Hall is a nine-story men's dormitory, built in 1970. This beautiful building, located on Union Street, is fully air-conditioned and modern in every respect. It houses 280 men, and is named in honor of Elwood W. Parker, of Murfreesboro.

DEVELOPMENT

With faith in the support of its college family, alumni and friends, Chowan College initiated its Development Program in 1957. With the support of the college's Board of Trustees, Board of Advisors and other outstanding leaders and friends of the college, a virtually new Chowan has been built on this 130 year old campus. This exciting development program, which has been labeled a 'modern miracle,' is being accomplished within the frame-work of comprehensive long-range planning and sound fiscal management. Leaders from North Carolina, Virginia and other states give wise counsel and direction to the college.

It is significant that the college has operated in the black in each year of development and has kept cost to its students (tuition and fees) at the minimum level. The college makes every effort to gain the maximum educational mileage out of every dollar entrusted to it. In addition to brick-and-mortar, Chowan has projected the financial resources needed to keep plant and program operating at top efficiency, to meet the intellectual and spiritual requirements of its students, to supply an adequate library and equipment needed to accommodate them, and to support the quality faculty necessary to lead them. Through the Annual Giving Fund Program, the college seeks annual support from a variety of sources to help underwrite the day-to-day operation of the College.

The college actually seeks and encourages planned gifts through wills and trust agreements. Opportunities are available for endowed scholarships; faculty, student and departmental funds; academic programs and departments; and for equipment, buildings and grounds.

Campus Life

COLLEGE ORGANIZATIONS

New students are welcomed into all organizations except those whose members are invited in recognition of their eminence in scholarship, athletics, writing, music, dramatics or special phases of leadership. Announcements concerning organizational activities are posted on bulletin boards, published in the college newspaper, and noted in assembly bulletins.

COLLEGE COMMITTEES

Students are currently serving on the following college committees: Chapel-Assembly, Class Absences, Scholarship, Library, Athletic, Graduation, Housing, Cafeteria, Clothing and Etiquette, Publications, Intramurals, Hospitality, Health, Student Activities, and Faculty-Student Relations. The student members have voting rights and thus share in planning social, operational, and academic phases of the College.

STUDENT GOVERNMENT

All students are automatically members of the Student Government Association of Chowan College. The organization offers them opportunities for gaining experience in democratic procedures and for participating in the operation of the college. Through the legislature they voice their points of view and recommendations to the administration. Also, within the limitations of power granted to the association by the President of the College, the organization administers and enforces regulations governing student conduct.

RELIGIOUS ACTIVITIES

A full-time chaplain is a member of the college staff. He seeks to interpret the place of religion in society and in the Chowan College community. He ministers to students by helping them translate their worship into Christian living. All religious activities, including the weekly assembly programs, are coordinated by the chaplain.

A varied program of religious activities is offered to challenge the interest of students and to meet their needs. Opportunities for effective service, spiritual growth, and social fellowship are provided for students through the activities of the Baptist Student Union - Campus Christian Fellowship, Fellowship of Christian Athletes, and the Ministerial Alliance. During Evangelism Week and Christian Emphasis Week, students have the opportunity to hold individual and small group conferences with guest speakers.

Students are invited by the churches of Murfreesboro and the surrounding area to participate in their worship services. Located within Murfreesboro itself are Baptist, Methodist and Episcopal churches. Other churches located in the immediate vicinity of Murfreesboro are Roman Catholic, Presbyterian, Friends, Latter Day Saints, Free Will Baptist and Church of God.

CAMPUS CLUBS

Monogram Club. To be eligible for membership in the Monogram Club, the student must be a member of a varsity athletic team and participate in inter-collegiate competition.

Student Chapter of National Education Association. This organization is open to students who plan to teach. It aims to keep the prospective teacher informed in educational developments and to develop a strong professional attitude toward the teaching profession.

Circle K International. The club offers both service and social opportunities to the student. It is affiliated with Kiwanis International and is open to both male and female students with 2.0 grade point averages.

Chowan College Sociology Association. This organization promotes interest in community service projects. Field trips and guest speakers are sponsored for the purpose of exposing members to information on the development, structure and function of human groups conceived as processes of interaction or as organized patterns of collective behavior.

Chowan Science Club. This is a campus organization which is affiliated with the North Carolina Collegiate Academy of Science. Its purpose is to stimulate interest in the sciences by introducing the lesser known fields through informative programs and projects.

Chowan Trailblazers. All students interested in outdoor activities are invited to join this organization. Members enjoy one-day trips as well as overnight camping and backpacking trips. Other activities sponsored by the club are: exploring, bicycling, canoeing, bonfires and cookouts.

Chowan College Soccer Club. This organization promotes the game of soccer, friendship and sportsmanship on the Chowan campus. Members of the club participate in matches with schools or private clubs in North Carolina and Virginia. Soccer at Chowan is recognized as a club activity and not considered a varsity team sport for intercollegiate competition.

Chowan College Day Student Organization. All students classified as commuting are members of this organization. While this organization serves many functions, its primary objective is to encourage the involvement of day students in college sponsored activities. The organization has official representation in the Student Government Association.

Interest Organizations. (Spanish Club, Motor Sports Club, Surfing Association, Aviation and Parachute Association, Scuba Diving Club) vary according to the common identifying concerns and interests of students. The formation of new organizations is encouraged each fall. All campus organizations must be approved by the faculty and administration. Organizers must apply to the Student Activities Committee after having written a constitution and acquired an advisor. If the committee accepts the application, it is referred to the faculty for approval.

INTERCOLLEGIATE ATHLETICS

The intercollegiate sports program for men consists of football, basketball, baseball, cross country, wrestling, golf, tennis, and track. For women the intercollegiate program includes volleyball, basketball, and softball. Every intercollegiate activity is under the personal supervision of qualified coaches.

The Director of Athletics has general supervision of intercollegiate athletic activities. Chowan College is a member of the National Junior College Athletics Association, the Cavalier-Tarheel Junior College Athletic Conference and the Coastal Football Conference and is governed in matters of eligibility by the constitution and bylaws of these organizations.

INTRAMURAL SPORTS

Recognizing the importance of physical education in maintaining good health, Chowan makes available to every student an extensive program in intramural athletics. This program, conducted under the supervision of the Athletic Department and Student Development, includes flag football, volleyball, basketball, softball, tennis, horseshoes, ping pong, golf, basketball foul shooting, track, badminton, wrestling, weight lifting, and swimming.

WOMEN'S RECREATION ASSOCIATION

A varied program of athletic and recreational activities for women is provided by the Women's Recreation Association under the supervision of the Department of Athletics. Intramural competition is held in volleyball, basketball, softball, tennis, badminton, and horseshoes. Varsity competition includes volleyball, basketball and softball. The varsity cheerleading squad is sponsored by WRA. The Spring Festival Pageant and Spring Festival are planned, organized and sponsored annually by this organization.

FELLOWSHIP OF CHRISTIAN ATHLETES

A chapter of Fellowship of Christian Athletes is sponsored by faculty members and coaches in the Department of Athletics. Members of this group meet twice weekly for breakfast in the President's Room of Thomas Cafeteria.

LIVING-LEARNING PROGRAMS

Outdoor Survival, Dream Analysis or Hypnosis, Auto Racing, Birth Control, Private Aviation, Substance Abuse, What to Look for When Buying a Car, A Demonstration at the Potter's Wheel, Banking, and Capital Punishment are only a few topics around which several living-learning programs in residence halls developed last year. Such out-of-class programs are planned by officers of residence halls, officers of the SGA, and para-professional staff members with assistance from the Director of Residence Hall Life. Living-learning programs are presented by students, faculty and staff members and are designed for individual participation and group involvement.

MUSIC

Membership in the **College Choir** is open to all students who are interested in choral music. On-campus appearances of the Choir include annual Christmas and Spring Concerts.

Membership in the **Chowan Touring Choir** is selected by audition from the College Choir. The Touring Choir takes an extended off-campus tour in the Spring of each year as well as making several off-campus and television appearances throughout the year.

Membership in the **College-Community Chorus** is open to all students and persons from the surrounding communities. This organization presents two concerts, one in the fall and one in the spring, each accompanied by orchestra.

Membership in the **College Stage Band** is open to all students who are interested in playing band music.

The **Chowan College Orchestra** is open to all students, faculty and community persons with the permission of the director.

Other **Ensembles** are organized from time to time as the demand exists.

The **Chowan College Concert Association** brings outstanding vocal and instrumental musicians to the campus four times each year.

HONOR SOCIETIES

Phi Theta Kappa is a national, honorary, scholarship fraternity for the junior colleges of America and is open to students with a three point average, who are

recommended by a faculty committee and approved by the student members of the organization.

Alpha Pi Epsilon is a national honorary society for secretarial students who make a three point-plus average in their studies.

Phi Beta Lambda is an organization which is affiliated with both state and national organizations, open to all students who are enrolled in the Department of Business and maintain a "C" average. It provides a means for social contacts within the department. Programs are designed to prepare students for useful citizenship and to promote those qualities that will insure effective participation in business, professional, and community life.

CULTURAL ACTIVITIES

Through the combined facilities of the college and the community, students have the opportunity to attend numerous programs — lectures, plays, concerts, receptions, recitals, motion pictures, and art exhibits — designed to enrich their educational experiences.

The Chowan Student Government Association, through the help of the Student Activities Committee, sponsors an entertainment series which brings popular groups to the campus.

SOCIAL LIFE

Many occasions for individual and group expression are offered by College-sponsored student organizations. Included are motion pictures, a comprehensive intramural program, and a variety of residence hall and club events. The Student Government Association is actively engaged in sponsoring a broad range of social and entertainment events.

COLLEGE PUBLICATIONS

All Chowan College publications, brochures, and booklets, are produced by students under the instruction and supervision of faculty members in the Department of Graphic Arts and Photography.

The Chowanian. This is a pictorial periodical disseminating information about Chowan College to alumni, high schools in North Carolina and Virginia, and friends of the college.

The Chowanoka. This is the yearbook, edited by a staff of students with the guidance of a committee of faculty advisors. Student staff members are responsible for the layout and design of this publication.

Smoke Signals. This is a bi-monthly newspaper edited by students under the supervision of a faculty advisor. It carries news and pictures of student activities.

The Student Handbook. This publication contains information about social rules and regulations for Chowan College students. It is distributed and studied during orientation programs.

All student publications must be approved by the administration before they can be printed and circulated.

CHOWAN COLLEGE SPEAKERS BUREAU

Students, faculty, and staff members are available as speakers through the Office of College Relations. Citizens of the Chowan College Community serve as guest speakers at conventions, banquets, civic clubs, commencements, PTA meetings, social affairs, and church activities. The Speakers Bureau serves as a link between the college and friends of the college.

STUDENT SERVICES

Counseling

Chowan College maintains an active counseling relationship with each of its students through an advisory program. Each student is assigned to a faculty advisor, who is available for academic and personal counseling. Advisor-Advisee meetings are held twice each semester, and students are expected to confer individually with their advisors at least once each semester.

Counseling in non-academic matters is provided by the Dean of Students, Associate Dean of Students, the Director of Residence Hall Life, the Chaplain, the Counselor, and the Director of Guidance and Counseling.

Professional counseling services are oriented to early identification of the assistance with academic, vocational, and personal problems. Testing facilities of a vocational and diagnostic nature are available.

Because Chowan College is a two-year institution with eighty-five percent of the enrollment participating in transfer programs, professional counseling is available to students transferring to senior colleges and universities.

TRANSFER TO SENIOR INSTITUTIONS

Chowan College graduates — approximately 85 percent — transfer to a wide variety of senior institutions. Representative of the senior colleges and universities to which Chowan's graduates are attracted are Appalachian State University, Arkansas State University, Atlantic Christian College, Averett College, Baylor University, Belmont-Abbey College, Campbell College, Carnegie Institute of Technology, Carson-Newman College, Catawba College, Clemson University, College of William and Mary, Columbia College, Davidson College, Duke University, East Carolina University, East Tennessee State University, Elon College, Emory and Henry College, Florida State University, Furman University, Gardner-Webb College, George Washington University, Georgia Institute of Technology, Greensboro College, Guilford College, Hampden-Sydney College, High Point College, Hollins College, Jacksonville State University, Longwood College, Louisiana State University, Lynchburg College, Mars Hill College, Marshall University, Mary Washington College, Memphis State University, Meredith College, Methodist College, North Carolina State University, North Carolina Wesleyan College, North Texas State College, Old Dominion University, Patterson State Collere, Pembroke State University, Pfeiffer College, Queens College, Radford College, Randolph-Macon College, Rochester Institute of Technology, Salem College, Saint Andrews Presbyterian College, Salisbury State College, Sam Houston State University, South Dakota State University, Southern College of Optometry, Stratford College, Temple University, Texas Technical University, University of Connecticut, University of Delaware, University of Kentucky, University of Maryland, University of Miami, Universities of North Carolina at Asheville, at Chapel Hill, at Charlotte, at Greensboro, and at Wilmington, University of Pennsylvania, University of Richmond, University of South Carolina, University of Southern Mississippi, University of Tennessee, University of Virginia, University of West Virginia, Virginia Commonwealth University, Virginia Polytechnic Institute, Virginia Wesleyan College, Wake Forest University, Westchester State College, Western Carolina University, West Virginia State University. This is, of course, only a partial listing. The individual's curriculum, preference and grade-point average will determine, in most cases, the senior institution to which a Chowan graduate will transfer.

HEALTH SERVICES

Each incoming student is required to forward to the Director of Admissions a physical examination and health report. This report is made available to the college nurse, who maintains a health record on every student.

Nurses are on twenty-four hour duty in Penny Infirmary. A Registered Nurse is on duty from 7:30 a.m. to 4:00 p.m. daily, Monday through Friday, and on call during weekends.

Beds in Penny Infirmary are used primarily for acutely ill students who respond rapidly to rest and conservative treatment. If the student's condition worsens or response to treatment is slow, arrangements are made for treatment and laboratory studies according to instructions from parents.

Hospital accommodations are available in Ahoskie, North Carolina, a twenty-minute drive from the college. The services of local physicians are used by Chowan students. Such services and any prescriptions are the financial responsibility of the students.

Dormitory students who find it necessary to miss classes because of illness should consult the nurse before the time the class meets in order to obtain an official excuse. Day students who miss classes must bring a note from home or a physician in case of prolonged illness.

HOSPITAL AND ACCIDENT INSURANCE

Chowan College carries Hospital and Accident Insurance on all students. After the insurance is in force, it applies at all times, on and off the campus. The individual student is responsible for seeing that his claim is filed.

STUDENT CENTER

For the convenience of all Chowan College students, there is provided in the Student Center, located on the ground floor of Thomas Cafeteria, a book store, the post office, and a recreation room containing a snack bar operated by the cafeteria management. Additional recreational facilities are located in Askew Student Center.

STUDENT MAIL AND MESSAGES

Every student, whether boarding or day, is assigned a post office box and receives mail and intra-college messages through the College Post Office.

LAUNDRY

Arrangements have been made with a local linen supplier to furnish a dormitory student two sheets, one pillow case, and three bath towels each week. The linens are distributed weekly to individual lockers in the dormitories. Further information and a reservation card will be mailed to students prior to the opening of the fall term. There is a fee for this service and students participate on a voluntary basis.

THOMAS CAFETERIA

Thomas Cafeteria seats 750 persons. All resident students and students staying in approved homes are required to take their meals in Thomas Cafeteria.

Students and faculty serve on the **Cafeteria Committee**, which meets monthly with the Food Service Director to discuss all matters dealing with food service.

WHITAKER LIBRARY

Whitaker Library, dedicated in 1968, is a handsome, efficient, modern building designed to be the center of the educational process. It provides seating space for 330 students, including space at 173 individual study tables. Here also is the Antiquities Room, which serves as a depository for old and rare books. The Antiquities Room also houses the Creech Baptist Collection.

The book collection numbers approximately 60,500 volumes and is growing at the rate of 3,500 volumes yearly. Books are readily accessible on open shelves.

Whitaker Library is open 72 hours per week and is well staffed to provide complete services to students.

ORIENTATION

Prior to enrollment all new students will receive a letter informing them when to arrive on campus for an orientation program. Orientation affords new students the opportunity to become acquainted with the aims and objectives of the college, its traditions and customs, the curriculum, activities, student leaders, faculty and staff members, and the college environment.

DISCIPLINE

Ultimately, college discipline is in the hands of the Student Government Association, Student Development Deans, and the President, who administer policies adopted by the Board of Trustees. The purpose of discipline is to maintain order in the institution and to develop good character in its students. At Chowan discipline is guidance oriented. Fortunately, other means are seldom needed to secure good conduct, but when necessary, they are used in the form of probation, suspension, and expulsion.

The College reserves the right at all times to exclude students whose conduct or academic standing it regards as undesirable without specifying any further reason for exclusion. In some cases, fees will not be refunded, in whole or in part, and neither the college nor any of its personnel or officials shall be under any liability whatsoever for such exclusion.

Furthermore, the college reserves the right to change its policies upon proper notice.

CAMPUS GUIDELINES

Among the guidelines of the college are:

1. The College will not tolerate student disorders. Any student found guilty of violating the Chowan College Policy on Student Disorders, a policy explained during orientation programs, will be subject to suspension or expulsion, depending upon the nature of the violation.

2. The College is opposed to the use of alcoholic beverages by students. Drinking or the possession of intoxicating beverages on the campus is not permitted.

3. Gambling, lying, cheating, stealing, and using profanity are forms of unacceptable behavior, and may be cause for suspension.

4. Any student who, without medical prescription, possesses, transports, or engages in the illegal sale of amphetamines, barbiturates, hallucinogenic narcotics, and marijuana will be subject to dismissal from the college.

5. The possession of firearms and pyrotechnics, whether in the dormitory or at any other place on the campus, is prohibited both by College policy and state law.

IDENTIFICATION CARDS

Until permanent ID cards are issued, the Bursar's receipt serves as a temporary means of identification. Once ID cards have been received, students are responsible for having them in their possession at all times, on and off the campus.

Since students are required to present ID cards when eating in Thomas Cafeteria and cashing checks in Murfreesboro caution should be taken in caring for the card.

Any Chowan student must produce his identification card when called upon to do so by any authorized official of the college, or any authorized civil official.

Lost ID cards can be replaced for \$3.00.

Lending an ID card or using another student's ID card is forbidden and is considered an act of falsification.

LIVING ACCOMMODATIONS

All students who do not live in Murfreesboro or near Murfreesboro with their parents must live on campus unless given permission in writing to seek rooming accommodations in conveniently located private homes which have been approved by the Director of Housing.

Room assignments are made in the office of the Director of Housing on a non-discriminatory basis as regards race, color or creed. No one is permitted to change rooms without written permission from the Director of Housing. Students making unauthorized changes are subject to penalties. Furnishings will not be removed from an apartment, room, hallway, bathroom, kitchen, dining room, lounge or any other area, in any dormitory without permission from either the Superintendent of Buildings and Grounds, the college Property Officer, or the Director of Housing.

No student is allowed to keep pets in residence halls.

Students are required to keep their rooms clean and in order. The occupants are held responsible for any damage to their rooms, both furnishings and to the

buildings. The cost of damage to the building outside the occupants' room may be charged on a pro rate basis to the residents of the building.

Residence halls are to provide the wholesome influence of a well-ordered Christian home and should afford conditions favorable to study and group living.

MOTOR VEHICLE REGULATIONS

Motor vehicles may be kept on campus providing they are properly registered through the office of the Security Officer and the Business Manager of the College. The request to register motor vehicles will be initiated through the Office of the Security Officer. Registration decals will be given to the student when he pays his motor vehicle registration fee in the Office of the Business Manager and must be displayed as designated by existing policy. At such time the student will be assigned a specific parking lot and a student will be permitted to park only in the lot to which he is assigned. Improper parking will result in parking violation tickets and may result in the forfeiture of one's right to have a car on campus. Towing is also enforced.

Motor vehicle registration fees are as follows: (1) \$15 for nine months (two semesters in the same academic year), or (2) \$10 per semester. In summer school the registration fee will be \$5. These fees are non-refundable under any circumstances.

While the college will, through its normal security measures, attempt to patrol parking areas, the college assumes no liability for personal property of others; moreover, the college has no insurance to cover losses the owner may experience.

A student is expected to observe the car regulations given him at the time of registration. If a student is given a campus traffic ticket, he is expected to pay the amount of the fine in the Business Office of the College. Unpaid fines will become a part of the individual's College account. Transcripts are placed on a non-release status until motor vehicle fines are paid.

BICYCLE REGISTRATION

The college encourages students to bring bicycles to the campus. Bicycles are registered through the Office of the Security Officer. Registration decals are given students.

Registered bicycles are:

1. More easily found in case of theft.
2. Stored, upon request of the owner, by the Superintendent of Buildings and Grounds during vacations and between semesters.
3. Provided spaces in bicycle racks.

Bicycles are not to be parked in residence hall rooms, halls or stairwells.

Financial Information

The average cost to CHOWAN COLLEGE over and above what the student is required to pay is approximately \$500 per student. This amount is contributed by the Baptist State Convention of North Carolina, the Independent College Fund of North Carolina, Inc., churches, individuals, corporations, foundations, and from endowment funds of the college.

As a private, church-related college, Chowan is compelled to seek financial support from its college family, alumni, parents, friends, businesses, corporations and foundations to provide special funds needed for projects over and above those which tuition and endowment sources can support. These gifts have permitted Chowan College to keep its tuition and fees at a minimum level while elevating its educational program toward a position of esteem among independent liberal arts institutions. Every effort is made at Chowan College to keep student fees and tuition at the lowest possible level, realizing that actual instructional and service costs exceed the stated charges. We encourage parents and others who are able and willing to make gifts through the Chowan Parents Association to assist in keeping cost and fees to the student at a reasonable level and strengthen the educational program of the college. Such gifts should be made payable to the Chowan College Parents Association and mailed to Chowan College, Murfreesboro, North Carolina 27855, and are fully tax deductible.

CLASSIFICATION OF STUDENTS

Chowan College has two classifications of students: **Boarding** and **Commuting**. A **Commuting Student** is considered to be one (1) who is obviously a resident of Murfreesboro, (2) whose permanent residence is in such proximity to Murfreesboro that he drives to and from the college each day, or (3) who is married and has established a residence for his family in the Murfreesboro area. **Boarding Students** include all students who live in college dormitories.

By order of the Board of Trustees, all students rooming in college dormitories are required to take their meals in the college dining hall. Such students are classified as **Boarding Students**. Board and room fees do not include holiday periods.

Students assigned to rooms on the campus are not permitted to move off the campus during any given semester, except by special permission from the administration.

Further, when the college has rooms available, **Boarding students** are required to live on campus. While the college cooperates with students in honoring their dorm and roommate choices, the college does reserve the right to make room assignments for students. Moving without prior permission from an assigned room is prohibited (see item 7 under Financial Regulations, page 37).

FINANCIAL INFORMATION FOR YEAR 1978-79

All students applying for admission should send \$10.00 with completed application to the Director of Admissions. This is an application processing fee and is **non-refundable nor is it included in the charges listed below:**

STUDENT FEE SCHEDULE FOR 1978-79		
BOARDING STUDENT:	Per Semester	Per Year
Registration Fee	\$ 10.00	\$ 20.00
Tuition	550.00	1,100.00
General Fees	142.50	285.00
Student Activity Fee	60.00	120.00
Health Fee	40.00	80.00
Room	247.50	495.00
Board	347.50	695.00
	\$1,397.50	\$2,795.00
 DAY STUDENTS	 \$692.50	 \$1,385.00

Any student who desires to take more than 18 semester hours must have special permission from the Dean of the College and there will be an additional charge of \$40.00 per semester hour over 18 hours.

SPECIAL FEES (Per Semester)

ART

Students who are enrolled in studio courses will pay the following special fees: 1 course, \$20.00 per semester; 2 courses, \$40.00 per semester; more than 2 courses, \$50.00 per semester.

DEPARTMENT OF BUSINESS

Any student enrolled in one or more office machines courses in the Department of Business (e.g. typing, dictation, Business Machines, etc.) will pay a lab fee of **\$25 per semester.**

DANCE

Dance majors—\$75 per semester

Modern Dance P.E. 104 & 105—\$15 per semester

Other Dance courses—\$40 per semester

GRAPHIC ARTS

Laboratory Fee—\$50 per semester
Photography Fee—\$25 per semester

MUSIC

Music Major's Fee—\$75 per semester

(Includes lessons in major and minor instruments and use of practice room at no additional charge.)

Private Instruction for college students—\$40 per semester

Special Music Students (non-college students)—\$60 per semester (1 lesson per week).

SCHEDULE OF PAYMENT

Tuition, fees and other costs for the full semester are payable at the time of registration except for students who have definite commitments of financial aid from the Student Aid Office of the College. Even in these cases, the difference between the total cost of the semester and the financial aid commitment is due at the time of registration. **The refund policy presupposes that all fees have been paid prior to class registration.**

ADVANCE PAYMENT

In addition to the \$10 application fee, (1) All students must make an advance payment of \$50.00 by April 1. If accepted after April 1, payment must be made immediately upon acceptance. The payment will be applied to the student's account at the college. It is refundable only in the case of serious illness or death in the student's immediate family. (2) All returning students must make a \$50.00 advance payment by April 1. It is subject to refund due to academic deficiencies or as above. (3) In the event that a student is eligible for a refund of his advance payment he must make **WRITTEN APPLICATION BY THE DATE OF CLASS REGISTRATION FOR THE SEMESTER TO WHICH THE PAYMENT APPLIES.**

DEFERRED PAYMENT FEE

Although it is the policy of the College, as authorized by its Board of Trustees, to collect all tuition and fee payments before a term begins, it is recognized that upon occasion some parents and students may experience unexpected problems in complying with this policy. Therefore, when satisfactory terms are requested and arranged with the Business Office for a delayed payment, there will be administered a **DEFERRED PAYMENT FEE** of \$10.00 for the first 30 days and \$5.00 for each succeeding 30 day period not to exceed \$20.00 for a given semester. This fee is not to be considered an interest charge, but instead covers the cost of administering a student's account on an individual basis.

BUDGET PAYMENT PLAN

College policy, as authorized by the Board of Trustees, requires payment of all fees prior to class registration unless satisfactory arrangements for the payment of fees is made well in advance of a semester with the College Business Office. One method suggested for your consideration is the 10 month Budget Payment

Plan which provides that parents may enter into agreement with the college to pay any amount up to the full cost of tuition and fees in ten equal installments. Every month payment must be made by the fifth day of the month commencing June 1 or the agreement may be cancelled. There are no interest charges, and the agreement is not to be considered a loan. A LATE MONTHLY PAYMENT MAY RESULT IN DEFERRED PAYMENT FEE CHARGE (see preceding paragraph).

GENERAL INFORMATION

The Student Activities Fee is charged each student to provide a variety of extra-curricular activities throughout the year. The Student Activities Committee, made up of students, faculty and staff, is charged with the responsibility of promoting and administering these various events. The fee is distributed to and includes student publications, religious activities, drama, athletics and intramurals, music and special student events.

(1) The expenses listed do not include books, which will cost approximately \$100.00 per year, laundry, doctor's fees or medical emergencies, except those covered by the Student Health Insurance.

(2) The college reserves the right to change the price of room and board upon proper notice to its students.

(3) To qualify as a North Carolina Resident and thereby be exempt from the OUT OF STATE FEE, it is necessary that the applicant and/or his parents shall have been domiciled in the State of North Carolina for at least one year immediately preceding the beginning of that semester, and the applicant or his parents must have been bona fide taxpayers to the State of North Carolina for the **full calendar year** immediately preceding registration. Residence in the State for the purpose of securing an education does not qualify an individual for classification as a North Carolina student.

(4) All money is handled through the College Business Office only by administrative staff bonded to receive and disburse all funds.

(5) The Student Health Fee includes health insurance and services rendered by the College Infirmary.

(6) All rooms in the residence halls are double rooms; when space is available and requested, a student may live alone in a double room subject to the payment of an additional charge equal to 50 per cent of the regular semester room rate as stated in the current catalog.

SPECIAL STUDENTS

Special students are normally those who live within commuting distance of the college and take less than 12 semester hours. No special student may register as a boarding student except with special permission of the Dean of the College and the Dean of Students. In the event that such a student is permitted to live in a dormitory, he will pay full fees as described in the catalog for boarding students. No special student may represent the college in any manner, except with special permission of the Dean of the College. Regular fee is \$40.00 per semester hour.

AUDITING — \$15.00 PER SEMESTER HOUR

With the permission of the Dean of the College a person may attend the course lectures in a selected subject and participate with the class; but will not receive any credit for the course.

LATE REGISTRATION FEE

There will be a \$5 registration fee for all students who register after the registration date listed on the calendar in this catalog.

GRADUATION FEE

All candidates for graduation will pay \$10.00 to cover the expense of cap and gown, diploma, and other expenses related to the commencement exercises. All candidates for graduation must pay this fee by the first day of April. Moreover, **any student who is a candidate for graduation and does not appear for commencement exercises will be charged an additional \$10.00. This absentia fee must be paid to the business office before grades will be released, diploma issued, or transcript forwarded.**

FINANCIAL AID

The primary purpose of the financial aid program at Chowan is to provide assistance for those students who could not otherwise attend college. Assistance is available in several forms: scholarships, grants-in-aid, loans, and part-time employment.

To be considered for financial aid at Chowan, a student should take the following procedures:

1. File a Financial Aid Form with College Scholarship Service, Box 176, Princeton, NJ 08540. The Financial Aid Office at Chowan receives a copy of this form and a financial need analysis report for each applicant. This data aids in determining the amount of assistance to be offered.

2. File an Application for Financial Aid with the Financial Aid Office at Chowan College.

3. File a Basic Educational Opportunity Grant Program application.

4. Be accepted for admission to Chowan College.

Students must follow the same process each year they expect to receive assistance.

Consideration for aid is given to citizens and permanent residents of the United States regardless of race, creed, color, national origin, or sex.

Commuting students are eligible to receive only half the amount of college funded scholarships and grants-in-aid. Moreover, a student is eligible for only one College funded scholarship unless otherwise indicated. College funded scholarships and grants-in-aid are not available for summer school or for students enrolled for less than twelve semester hours.

The Director of Financial Aid is available to counsel with students and prospective students about financial aid.

SCHOLARSHIPS

Chowan College offers a **Competitive Honor Scholarship Program** administered by the Scholarship Committee. These scholarships are not necessarily based on financial need. However, need will be considered as one factor. Primary emphasis is upon the demonstration of academic ability, motivation and seriousness of purpose. **Information concerning all scholarships may be obtained from the office of the Director of Student Financial Aid.**

1. Five Scholarships, valued at \$1,000.00 each; awarded and made available to the recipients on the basis of \$250.00 per semester. At the end of the freshman year the holder must have a quality point ratio of 3.0 for the scholarship to remain in effect.

2. Eight Scholarships, valued at \$500.00 each; awarded and made available to the recipients on the basis of \$125.00 each semester. At the end of the freshman year the holder must have a quality point ratio of 3.0 for the scholarship to remain in effect.

3. Ten Scholarships, of \$300.00 each; awarded on the basis of \$75.00 a semester. The holder must have a 3.0 scholastic average at the end of the freshman year for the scholarship to remain in effect.

NOTE: A student holding an honor scholarship who wins the \$500.00 offered by Chowan College for the highest scholastic average as a freshman shall continue to receive the full amount of his honor scholarship, except that combined scholarships shall not exceed student fees.

All contestants for honor scholarships are required to complete competitive examinations, which will be reviewed by the Scholarship Committee.

Other scholarships offered by Chowan College and interested friends of the College are listed below:

SEVERAL \$100.00 SCHOLARSHIPS. Donor: Chowan College. 4. The co-editor of the college newspaper (The Smoke Signals) receives a \$400.00 grant-in-aid.

MINISTERIAL GRANTS. Ministerial students who are related to the Southern Baptist Convention and supply the college with certification by their local churches receive \$325.00 per semester for four (4) semesters, if they maintain requirements for continued enrollment and carry a normal college load. Recipients are required to sign notes which must be co-signed by their parents, guardians, or another responsible person. If, at the end of five years, recipients have met the conditions set forth in the notes, the principle condition being that recipients enter the field of service for which they are being trained, the notes are cancelled. Otherwise, the notes must be paid.

CHILDREN AND SPOUSES OF ORDAINED MINISTERS. Unmarried children and spouses of ordained ministers related to the Southern Baptist Convention receive \$162.50 per semester for a maximum of four semesters.

GRADUATES OF THE BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA.

Graduates of the Baptist Children's Homes of North Carolina receive grants-in-aid of \$162.50 per semester for a maximum of four semesters.

ORDAINED MINISTERS. Ordained ministers currently serving pastorates shall receive tuition and fees except for \$25.00 per semester, medical insurance coverage and extra fees such as music, art, business laboratory, photography and Graphic Arts. This is on the condition that they complete financial aid papers as deemed necessary by the Director of Financial Aid.

CHILDREN AND SPOUSES OF THE CHOWAN COLLEGE FACULTY AND STAFF.

Unmarried children and spouses of members of the Chowan College faculty and administrative staff shall pay \$25 per semester, and file a need analysis form and a Basic Grant application. Medical insurance coverage and extra fees such as music, art, and graphic arts are not included in the tuition remission. The same policy will apply to secretarial staff and employees classified as supervisory personnel who have completed three years of continuous service with the college.

EMPLOYEES OF THE COLLEGE. Any employee who meets admissions requirements may audit or take for credit any course offering that does not conflict with his schedule.

BASIC EDUCATIONAL OPPORTUNITY GRANTS. This is a Federal aid program designed to provide grants to eligible students. Applications are available through the high school guidance counselor's office and the Chowan College Financial Aid Office. The BEOG office sends the student a Student Eligibility Report. All three copies of the SER must be sent to the Chowan College Financial Aid Office.

SUPPLEMENTAL EDUCATION OPPORTUNITY GRANTS. This is a Federally funded program through which Chowan College assists students who have exceptional financial need. Grants range from \$200.00 to \$1500.00 per year. Any student receiving this grant must receive other aid equal to the amount of this grant.

NORTH CAROLINA GRANTS. North Carolina grants are available for residents of the state of North Carolina who have financial need. These grants are made possible by appropriations to private colleges from the North Carolina Legislature. Recipients are determined by the Financial Aid Office of Chowan College. (Funding of this grant is based on appropriations by the North Carolina Legislature.)

NORTH CAROLINA LEGISLATIVE TUITION GRANTS. Every resident of the state of North Carolina, who is enrolled for at least twelve hours, receives a North Carolina Legislative Tuition Grant. These grants are made possible by appropriations from the North Carolina State Legislature. (Funding and the amount of this grant is based on appropriations by the North Carolina Legislature.)

NORTH CAROLINA STUDENT INCENTIVE GRANTS. The Legislature of North Carolina has appropriated funds to establish grants for North Carolina residents who have financial need. Applications have to be filed with College Foundation, Inc., prior to March 31 each year. Applications are available in the student's guidance counselor's office and the Chowan College Financial Aid Office. (Funding of this grant is based on appropriations by the North Carolina Legislature.)

STUDENT EMPLOYMENT

Employment opportunities are available at the College. These work grants are made available on the basis of financial need and on the basis of the student's willingness and ability to perform the work assigned. The College participates in the College Work Study Program and PACE, Inc. (Plan Assuring College Education in North Carolina).

LOAN FUNDS

National Direct Student Loan. Qualified students may borrow an aggregate of \$2500.00 during the first two years. The loans do not have to be repaid until the student terminates his education. Applications for the loan should be completed at the earliest possible date, but no later than thirty days before a term begins. These notes begin to earn interest (3 per cent) nine months from the date borrower terminates his college education.

The Mamie A. Crawley Memorial Trust Fund is available on a loan basis to any North Carolina Baptist student entering the Christian ministry. The fund is administered by the People's Bank and Trust Company of Rocky Mount, North Carolina, and bears interest at 4 per cent, beginning six months after graduation or termination of study. This fund has been made available by the Harris Chapel Baptist Church of Hollister, North Carolina.

North Carolina Scholarship-Loan for Prospective Teachers. North Carolina grants a limited number of \$900.00 scholarship-loans to prospective teachers who are legal residents of North Carolina. Those who receive these awards will be credited toward payment of these loans for each year they teach in North Carolina public schools during a period of five years after receiving their teaching certificate. Write: Department of Public Instruction, Board of Higher Education, Raleigh, North Carolina, prior to March 1.

GUARANTEED STUDENT LOAN PROGRAM

Under the Guaranteed Student Loan Program, students are eligible to apply for loans up to \$2,500.00 for a single year with a total of \$7,500.00 for four years. These loans are made by banks, credit unions, and savings and loan associations in the state of the student's residence. Procedures are different in each state. In North Carolina most loans are made through College Foundation, Inc., an agency insured by the State Education Assistance Authority. College Foundation applications and information about Guaranteed Student Loans are available through the Chowan College Financial Aid Office.

T. M. STANBACK STUDENT LOAN FUND

Established by Mr. and Mrs. T. M. Stanback of Salisbury, N. C. Administered by College Foundation, Inc., Raleigh, N.C. Direct inquiries to the Director of Student Aid, Chowan College.

GENERAL FINANCIAL REGULATIONS

1. No credit for academic work is given for a diploma or for transfer purposes until all financial obligations to the College have been paid or adequately secured.
2. The \$10.00 application fee, which must accompany the student's application for admission, is not refundable under any conditions.
3. In addition to the \$10.00 application fee, (1) ALL students ATTENDING CHOWAN COLLEGE FOR THE FIRST TIME must make an advance payment of \$50.00 by April 1. If accepted after April 1, payment must be made immediately upon acceptance. The payment will be applied to the student's account at the college. It is refundable only in case of serious illness or death.

in the student's immediate family. (2) ALL returning students must pay a \$50.00 advance payment by April 1. It is subject to refund due to academic deficiencies or as above. APPLICATION FOR REFUND MUST BE MADE IN WRITING BY THE STUDENT IN ALL CASES BY THE DATE OF CLASS REGISTRATION FOR THE SEMESTER TO WHICH THE PAYMENT APPLIES. (Refer to page 27 "Advance Payment".)

4. **REFUND POLICY.** The refund policy presupposes that all fees have been paid prior to class registration. Students who formally withdraw from the college within two weeks, after the beginning of a semester are entitled to a refund of 80 per cent of the fees paid; those who withdraw later than two weeks after a semester begins, but not later than three weeks, are entitled to a refund of 60 per cent of the fees paid; those who withdraw later than three weeks after a semester begins but not later than four weeks, are due a refund of 40 per cent of the fees paid; **and those who withdraw as late as five weeks after the beginning of a semester are entitled to no refund.** The advance payment (\$50) is not included in the refund. ANY STUDENT WHO IS ASKED TO WITHDRAW FROM THE COLLEGE AT ANY TIME FOR SOME INFRACTION OF THE RULES IS NOT ENTITLED TO ANY REFUND OR ANY PART OF THE FEES PAID FOR THAT SEMESTER.

5. Any student who is placed on probation for any reason whatsoever may lose his scholarship, special grant or financial aid during the period of this probation.

6. A student who loses, destroys, defaces, or in any way damages college property, or aids and abets others in so doing, shall within twenty-four hours report this fact to the Business Manager.

7. A student who moves from the room assigned **with permission** from the Director of Housing will be charged \$10.00. Moving **without permission** will incur a \$10.00 fine and may result in the student's return to the room originally assigned.

8. Upon issuance of the key to his room, a student is required to deposit \$10.00 as a Contingency-Key Fee. Upon return of the original key and after the deduction of any damage fees assessed to the student, any remaining portion of this fee will be refunded.

9. All students who keep an automobile on the campus or who drive to the campus are charged a \$15.00 fee per year, \$10.00 per semester, for the registration and parking of his automobile. Failure to register a car will result in a fine being levied upon the negligent student, not to exceed \$10.00, and may also result in the forfeiture of the privilege of keeping his car with him at college. Further, no student will be allowed to register a car belonging to someone other than himself, his parents, or his legal guardian. **All students are required to register their cars.**

10. **Personal Possessions** — Although students may leave personal possessions in their rooms over vacations during the regular academic year, they are not permitted to do so over the summer months. The college reserves the right to dispose of any and all belongings left in the residence halls after the closing of school in May.

11. **Insurance Coverage on Possessions** — Chowan College does not carry insurance on student's personal belongings and is not responsible for loss or damage from any cause. Students are advised to check their family's Home

Owners insurance to see if it covers belongings at college. If not, students may wish to secure personal coverage.

GENERAL ENDOWMENT OF THE COLLEGE

The General Endowment of Chowan College is gradually increasing, and is carefully safeguarded as to its investment. The Planters National Bank and Trust Company of Rocky Mount and Ahoskie is the agent of the Chowan College General Endowment Fund.

The college Board of Trustees has begun a concentrated effort to increase the General Endowment to five million dollars. Gilbert W. Francis, attorney of Boykins, Virginia, is Chairman of the Endowment Committee, which is giving special time and effort to this endeavor. The book value of the Endowment Fund passed the one million dollar mark in 1976, not only reaching a new high but marking the most significant growth in the history of the College.

James Henry and Susan Fleetwood Stephenson Memorial. Established in loving memory of his parents by will of the late Dr. Gilbert T. Stephenson, long time friend, benefactor and Chairman of the College Endowment Committee. Dr. Stephenson was the driving force and strong advocate of General Endowment for Chowan College and for almost two decades lent his influence and gave legal advice to many people that they might follow his example of remembering Chowan College in their will. Additional gifts to this Memorial were made by his sons, Thomas W. and James H. Stephenson, and his beloved wife, Grace White Stephenson (1973).

The Colgate W. Darden, Jr. Chair of Business was established in 1974 by Mr. and Mrs. W. Eldridge (Sub) Smith of Franklin, Virginia, in honor of Dr. Darden and in recognition of his outstanding accomplishments as a statesman, scholar, political and educational leader. Dr. Darden has served his state as governor, and is a former president of the University of Virginia.

The E. Lee Oliver Fagan Chair of Bible and Religion was established in 1975 by Lee Fagan of Stanardsville, Virginia, in honor and memory of his mother. The late Mrs. Fagan was an alumna of the college, class of 1893. The college Board of Trustees recognized Mr. Fagan's gift as being the largest single contribution ever received for Endowment purposes.

Principal donors and the years in which their first contributions were made are listed for information and as an evidence of appreciation:

Bennie P. Hedspeth Estate, Suffolk, Va. (1977); Mrs. Lois Vann Wynn Estate, Murfreesboro, (1976); Mrs. Charles Hobson, Wenonah, N.J. (1976); William Futrell, Murfreesboro (1976); Alta Chitty Parker Estate, Murfreesboro (1976); John McSweeney, St. Petersburg, Fla. (1976); Don G. Also, the Virginia National Bank, formerly the Meherrin Valley Bank of Boykins, Virginia, has made several substantial gifts to the General Endowment Fund.

Chowan College has been and can be benefitted greatly by bequests of friends and alumni, including gifts to the College for the Book of Memory, whereby friends and relatives memorialize deceased loved ones through contributions to the General Endowment Fund. Many others should make Chowan College a beneficiary to their estates through legacies, insurance policies, and trusts. College officials, when requested to do so by interested persons or their attorneys, will provide, at no obligation whatsoever, professional and legal advice regarding wills in behalf of the college. President Bruce E. Whitaker stands ready to counsel with such parties at their convenience. The legal name to be used for this purpose is **Chowan College**.

Suggested wording for those who wish to remember Chowan College in their wills; "I give devise and bequeath to Chowan College, Murfreesboro, Hertford County, North Carolina. (here insert the amount of money and/or describe the personal property or real estate) for the general purposes of Chowan College."

Academic Program

DEGREES OFFERED

Chowan College offers various Associate degrees, as well as certificates and diplomas in business and graphic arts (printing).

PROGRAMS OF STUDY

Two programs of study are offered at Chowan: one, the first two years of college, leading to the B.S., B.A., and the various professional degrees in four-year colleges and universities; two, vocational programs for students who wish to enter specialized employment after graduation from Chowan. **All students must follow a curriculum as outlined in the college catalog. Any exception to this policy must be approved in writing by the Dean of the College, upon recommendaton of the student's academic adviser.**

Department Honors Program: Some departments in the college offer specialized honors courses for highly qualified students. Participation in these courses is by invitation only. Information on these is given under the departmental headings listed in the Courses of Instruction. Interested students should contact the chairman of the department in which they wish to study.

REQUIREMENTS FOR ADMISSION

1. Chowan College desires to enroll only those persons who are trustworthy and studious and who possess those qualities that make for a congenial adjustment to college life. Evidence of good moral character, seriousness of purpose, and desirable personal traits will be considered of first importance.

2. Every applicant for admissions is encouraged to take the Scholastic Aptitude Test (SAT) of the College Entrance Examination Board. Scholastic Aptitude Test scores are used for advising and do not have to be filed for admissions purposes unless specifically requested by the Admissions Committee. It is recommended that the Scholastic Aptitude Test be taken early in the senior year.

Students wishing to make application to take the tests should procure application forms from their secondary schools or write directly to the College Entrance Examination Board, Box 592, Princeton, New Jersey 08540, or Box 1025, Berkeley, California 94701, for the **Bulletin of Information**, which includes an application form and is available without charge. The bulletin lists test centers and gives complete information concerning the tests

Because of deadlines for filing application to take the College Board tests, the student must make his arrangements well in advance of the testing date so that his application may be received in Princeton or Berkeley by closing date.

When evaluating an applicant's qualifications for acceptance, careful

consideration is given to the candidate's scholastic record in high school, rank in class, Scholastic Aptitude Test scores if available, recommendations of the Principal or Counselor, evidence of character, purposes in life, motivation, and ability to identify with the objectives, purposes and philosophy of Chowan College.

3. The basic academic requirement for admission is graduation from an approved high school with a minimum of eighteen (18) units. It is desirable, but not mandatory, that a liberal arts student submit:

English4 units
Algebra2 units
Foreign Language2 units
Plane Geometry1 unit
Lab. Science (other than general)1 unit
Other Courses8 units

A student who does not offer any one of the foregoing units and who plans to transfer to a college requiring them, or to follow a program of study in which they are required, will be expected to take them at Chowan.

The Board of Trustees of the College reserves the right to change Admission Requirements at any time.

PRE-ADMISSION CAMPUS VISIT AND INTERVIEW

Candidates for admission and their parents are strongly urged to schedule a campus visit and interview. Appointments are arranged through the Office of Admissions (919/398-4101). Visits and interviews are welcomed during office hours from 8:30 a.m. until 5:00 p.m. on weekdays and from 8:30 a.m. until 12:00 noon on Saturdays. Experience indicates that students who visit prior to enrolling identify with the college environment more easily. During campus tours prospective students visit residence halls as well as academic, recreational, and medical facilities. A conference with an admissions representative gives one an opportunity to ask questions about policies of the college. Such conferences provide the ideal setting for students and parents to become familiar with ways Chowan can assist them in reaching their personal and education goals as well as their professional and career objectives. With sufficient notice arrangements can be made for overnight accommodations and meals on campus.

TRANSFER STUDENTS

A transfer student is any student who has been enrolled in one or more courses in some other college, either for summer school or regular term.

Students who transfer from other colleges must have their academic transcripts sent to the Director of Admissions before being admitted. Chowan College will accept "D's" in transfer from other colleges if the student has a "C" average on all work attempted.

A transfer student will not be allowed to register at Chowan College for a regular term if he is academically ineligible to return to the institution from which he is transferring. Such students may, however, be granted admission to the summer session. If the student earns a minimum of six semester hours and

twelve quality points or if he earns nine semester hours and eighteen quality points, he may be permitted to register for the following regular semester.

SPECIAL STUDENTS

Special Students who wish to receive credit for courses taken should follow the same admission procedure as regular students.

VETERANS

Applicants who need information concerning educational benefits for veterans and children of veterans should consult the nearest regional office of the Veterans Administration or their county veterans service officer. Veterans Administration Regional Office for North Carolina is located in the Wachovia Building in Winston-Salem, North Carolina.

INTERNATIONAL STUDENTS

Chowan College has been approved by the United States Immigration Service and the Office of Education for the admission of students from other countries.

ADMISSION PROCEDURE

To gain admission to the college, the prospective student who has not previously attended college should:

1. Obtain all necessary forms by writing to: Director of Admissions, Chowan College, Murfreesboro, N.C., 27855.
2. Fill out completely the application for admission and mail it along with a \$10.00 processing fee, which is not refundable, to the Director of Admissions.
3. File a request with the high school Guidance Counselor for a copy of the high school transcript to be forwarded to the Director of Admissions, Chowan College, Murfreesboro, N.C., 27855.
4. Make a \$50.00 (non-refundable) deposit by April 1. This is to be applied to the student's account with the college.
5. Expect to receive an admissions decision within ten to fifteen days after the Director of Admissions has received the application, application fee of \$10.00 and high school transcript.

Candidates for admission by transfer should follow the procedures listed above and **request that an official transcript from each institution of higher education attended be forwarded to the Director of Admissions, Chowan College, Murfreesboro, N.C. 27855.**

NOTE: Students who are not graduates of approved high schools (including persons who qualify under the G.E.D. test) may be admitted to the college by special permission.

MEDICAL REPORT—A completed medical report is required of all students before they matriculate. The student should return this report as soon as possible after he is granted acceptance by the Director of Admissions. This provides the college nurse and her associates an opportunity to study the medical reports of incoming students prior to their actual enrollment.

SPECIAL ADMISSION FOR HIGH SCHOOL SENIORS

1. High school students who have completed their junior year, who rank in the upper one-third of their class, and who obtain a recommendation from their principal, are permitted to enroll in regular college classes on a special student basis during the Summer Session. These students are expected to return to their high schools for their senior year.

2. Area high school students who are in their senior year, who rank in the upper one-third of their class, and who obtain both release time and a recommendation from their principal, may enroll in college level courses on a special student basis.

REQUIREMENTS FOR GRADUATION

To receive an associate degree, a student must satisfy the following requirements:

1. The student must have completed satisfactorily two years of college work, and must have obtained a minimum of 60 semester hours of credit in college work, **exclusive of physical education**. He must have completed at least 2 semester hours of credit in Physical Education.

2. A minimum quality point ratio of 2.0 is required for graduation. This means an average of "C" (2.0 quality point ratio) on all work attempted.

3. The student must have pursued and completed a prescribed or approved curriculum as outlined in this catalog.

4. All students are required to take a minimum of one religion course for the first two consecutive semesters, unless the curriculum in which they are enrolled requires that it be taken during the sophomore year.

5. A student transferring from another college must complete a minimum of one semester of fifteen hours of college work, with a quality point ratio of 2.0 or better, at Chowan College.

6. Chowan College will accept a maximum of nine semester hours in correspondence courses from accredited institutions to be counted toward **requirements for graduation**.

7. Chowan College will accept in transfer a maximum of 9 semester hours of a student's last semester's work, in his prescribed curriculum at Chowan College, for graduation.

- D-One quality point per semester hour credit
- F-No quality points or semester hour credit

A 2.0 quality point ratio is required for graduation. **This means that a student must have at least two quality points for every hour attempted. All courses taken at the end of the "drop" period will be considered work attempted, with the last grade on repeat courses taking preference. Repeat courses will be considered "work attempted".**

ACADEMIC HONORS

The attainment of the following cumulative grade point average entitles graduating students to honors at Commencement:

Summa Cum Laude3.80 to 4.00
Magna Cum Laude3.50 to 3.79
Cum Laude3.20 to 3.49

The following semester grade point averages entitle the student to honors in the academic year:

President's List4.00
Dean's List3.50 to 3.99
Honors List3.00 to 3.49

Any grade below "C" will disqualify a student from placement on the President's List, Dean's List, or Honor's List, or from an honor at Commencement.

ACADEMIC REGULATIONS

REGISTRATION

Registration days are indicated on the campus calendar in the front of this catalog. All students should complete registration on the assigned days. Those students who enroll thereafter will be charged an additional fee of \$5.00.

REQUIREMENTS FOR CONTINUED ENROLLMENT

1. After a regular student has been enrolled at Chowan for two semesters, he must have earned a minimum of 18 semester hours and 36 quality points before enrolling for a third semester. (NOTE: A regular student is any student who in a given semester enrolls in 12 or more semester hours of work.)

2. After a regular student has been enrolled at Chowan for three semesters, he must have earned a minimum of 27 hours and 54 quality points before enrolling for a fourth semester.

3. If a regular student chooses to enroll at Chowan for a fifth semester, he must have accumulated a minimum of 36 hours and 72 quality points before enrollment.

4. If a regular student chooses to enroll at Chowan for a sixth semester, he must have accumulated a minimum of 45 hours and 90 quality points before enrollment.

5. No regular student who completes six semesters at Chowan will be permitted enrollment for additional study unless he has a "C" average on all work attempted.

6. A transfer student must earn a minimum of 9 semester hours and 18 quality points during his first regular semester at Chowan and 9 semester hours and 18 quality points each semester thereafter.

NOTE: Any regular student who fails to earn a minimum of nine semester hours and eighteen quality points in a given semester will be placed on academic probation. Any student placed on academic probation for two successive semesters will be suspended from the college. Further, academic suspension will result when a student fails to meet the specified requirements for continued enrollment.

REGULAR STUDENT LOAD

The normal academic load for a regular student is 15-16 **credit** hours per semester. No student may carry more than 18 semester hours except by special permission from the Dean of the College. **ALL REGULAR STUDENTS MUST CARRY A MINIMUM OF TWELVE HOURS PER SEMESTER. NON-CREDIT COURSES WILL NOT BE CONSIDERED IN MEETING CONTINUED ENROLLMENT REQUIREMENTS.**

SPECIAL STUDENT LOAD

Special students are allowed to carry a maximum of 11 hours per semester. These may be credit hours, non-credit hours, or a combination of both.

REPORTS

At the end of each semester a report for each student is sent to the student and to his parents or guardians. This report contains the grades and the number of absences. These grades are recorded on the permanent records in the Registrar's Office. A progress report is sent to the parents or guardians and students at mid-semester.

SOPHOMORE CLASSIFICATION

To be classified as a sophomore, a student must have earned, by the beginning of his third semester, at least 25 hours and 50 quality points.

CLASS ABSENCES

Students are expected to attend all meetings of their classes. Professors will keep class attendance records and these records become a part of the student's official transcript. An excused absence may be allowed for the following reasons:

1. Illness of the student, verified by a doctor or by the college nurse on forms provided for this purpose. Boarding students too ill to attend classes must report to the infirmary, unless otherwise directed by the college nurse.

Excused Absences for Illness-Boarding Student: In order to be excused from classes for reasons of personal illness, a Boarding Student must report to the Infirmary, prior to missing any class for which he seeks to be excused. The student may be confined to the infirmary or to his room for such period of time as the College Nurse deems necessary.

Excused Absences for Illness-Day Students; In order to be excused from classes for reasons of personal illness, a Day Student must bring an excuse from a parent or physician, certifying his illness.

2. Representation of the college, when such representation is reported by the appropriate faculty or staff member and approved by the Dean of the College.

3. Death of a member of a student's family.

4. Sickness in the family which requires the attention of the student, verified by a physician.

5. Selective Service Pre-induction Examination, when verified by a letter from a local Selective Service Board.

Appeals for excused absences other than those cited above can only be approved by the Dean of the College or the Registrar.

A student who wishes to be excused from class should report to the Office of the Registrar at least two days prior to the absence or **immediately** upon his return to class. He will be issued a Form 50 which must be submitted to the professor for his approval and returned to the Office of the Registrar within five (5) days after his return to classes. **If this action is not taken by the student, the absence will be recorded as unexcused.**

UNEXCUSED ABSENCES

Unexcused absences are those which are not listed under the above reasons for excused absences. Students may take the following number of unexcused absences without penalty:

In no class is a student permitted more than four unexcused absences. In classes that meet twice a week, the student will be permitted only three

unexcused absences, in classes that meet only one time per week, two unexcused absences. No unexcused absences are permitted in laboratories.

a. After a first excessive unexcused absence, the student's grade in the class will be lowered by one letter grade.

b. After a second excessive unexcused absence, the student will be given a grade of "F" on the course. Once a student has accumulated two excessive unexcused absences in a class, he no longer has the option of dropping the class without penalty.

A student may appeal any of the above actions to the Absence Committee by written application, co-signed by the professor. Such application should be submitted to the Chairman of the Absence Committee within (5) days after the student's return to class. If the committee agrees to permit credit, the student will be granted the privilege of making up the time and work in a manner satisfactory to the professor.

Three (3) class tardies will be treated as (1) unexcused absence. Tardiness is the failure to be in the classroom at the time of the tardy bell. A student who enters (10) minutes or later after the tardy bell automatically receives an unexcused absence, unless an acceptable excuse is presented.

It is always the student's responsibility to keep up with his absences, excused and unexcused, in all classes. In every case, the professor's record will be considered official as regards the number of absences a student has taken.

LOSS OF CREDIT

Normally a student who misses any class more than twelve (12) times (to include both excused and unexcused absences) will not receive credit for the course. In a class which meets twice per week, the student may not miss in excess of eight (8) times and still receive credit; in a class that meets one time per week, a total of four (4) absences.

Excessive unexcused absences may result in a student being dismissed from the college.

ASSEMBLY ABSENCES

All full-time, regular students (those who carry 12 or more semester hours) are required to register for and to attend the assembly programs. Each student may accumulate as many as four (4) unexcused absences in a given semester without penalty. When a student accumulates five (5) unexcused absences, he will be placed on preliminary suspension. The accumulation of six (6) unexcused absences may result in suspension from the college.

PROCEDURE FOR CHANGING CLASSES AND COURSES

1. Obtain proper form from the Office of the Registrar.
2. Secure the approval and signature of adviser.
3. Secure the approvals and signatures of the professors in whose classes changes are being made.
4. Secure the approval and signature of the Dean of the College.

5. Return form to the Office of the Registrar.

6. A student who finds it necessary to change from one class to another class in the same course or from one course to another within the Drop-Add period listed in the Chowan College Catalog Calendar will transfer all unexcused and excused absences.

A student may be charged a fee of \$5.00 for each class change, if such a change is primarily for the personal convenience of the student. The Registrar of the College will determine whether or not this fee will be charged, based on the merit of each case.

DROPPING OF COURSES

Courses may be dropped under the following circumstances:

1. Classes may be dropped without academic penalty as late as one week prior to the mid-term grading period. The last date for dropping a course without academic penalty is listed in the catalog calendar. Courses dropped within this period are not listed on the student's permanent record.

2. Withdrawal from a course after the official drop period as listed in the catalog calendar will result in a grade of "F" on each course dropped.

3. Exceptions to item 2 may be made in extreme cases, such as the reasons given in the catalog for excused absences. These exceptions must be approved by the Dean of the college, the Absence Committee, or both. If the Dean of the College or the Absence Committee approves the dropping of a course because of extenuating circumstances, the student will receive a "WF" or "WP" on the course, unless the drop is medical, in which case the grade will be recorded as "W". A physician's certificate is required for a medical drop.

4. In order for a student to withdraw officially from a course, he must follow the "Procedure for Changing Classes and Courses", as outlined above. Unofficial withdrawals result in a grade of "F" on each course dropped.

REPEATING OF COURSES

1. In the event that a student repeats a course, the last grade earned will be considered his final grade, and will be considered work attempted.

2. Courses in which "D's" are earned will transfer to many senior institutions if the student has a "C" average on all work attempted at Chowan College.

3. Students in vocational programs should repeat any courses in which "D's" are earned if such courses are in their major area of concentration. However, any student will be allowed to continue if he does not repeat the course in which a "D" is earned.

4. It will be the responsibility of the student to determine if a "D" should be repeated. The college will not be responsible for "D's" that do not transfer to senior institutions.

RE—EXAMINATIONS

A final semester candidate for graduation may apply for only **one** re-examination if extenuating circumstances justify it. The decision in this matter will be made by the professor involved, the Dean of the College, and the chairman of the department. In case the chairman of the department is the professor, another professor will be called in to act.

50—Academic Program

No grade higher than a "C" may be assigned as a result of re-examination.

A special re-examination will not be given until the student has had adequate time to do further study, which, in the judgment of the professor, justifies a re-examination.

A re-examination must be authorized by the Dean of the College and preceded by the payment of the required \$5.00 fee.

MAKE-UP TESTS

All students who desire to make up a test or tests which were missed due to excused absences will be required to make up test or tests as specified by either the individual professor or departmental policy.

COLLEGE LEVEL EXAMINATION PROGRAM

Chowan College participates in the College Level Examination Program (CLEP) of the College Entrance Examination Board. Credits are granted on the basis of both General Examinations and Subject Examinations in cases where the student scores at or above the level most recently recommended by the Council on College-Level Examinations of the College Entrance Examination Board. For information on specific CLEP credits acceptable at Chowan College, contact the Registrar of the College.

All students who seek credit by CLEP should be aware of the following matters:

1. No student may receive credit for a Subject or General Examination if it

duplicates in part or total any college level course for which he has already received credit.

2. Credit granted by CLEP will be reflected on the student's transcript in terms of semester hours only. No letter grade will be recorded and no quality points assigned. The actual score achieved on a CLEP examination will be recorded on the transcript. A student's quality point average will be determined by grades achieved in regular college courses.

3. Credits by CLEP will be recorded on the student's transcript only after he has matriculated at the college and earned a minimum of 18 semester hours.

4. While more than 1,000 American colleges now participate in CLEP, all do not participate to the same degree, nor do all necessarily accept the credit level as recommended by CLEP. In every case, any student who seeks credit by CLEP does so on his own responsibility, so far as transfer of credit is concerned.

WITHDRAWAL FROM THE COLLEGE

1. A student who finds it necessary to withdraw from the college must consult with the Dean of the College and the Bursar and arrange for regular withdrawal. Unless this is done, honorable dismissal will not be granted. All withdrawals are initiated in the Office of the Dean of the College.

2. Students who withdraw after the mid-term grading period, which is designated in the Calendar of the catalog, will receive an "F" on all courses being taken at the time of withdrawal and hours will be counted as work attempted. Exceptions to this policy will be the following reasons:

a. Illness, in which case a physician's certificate must be presented and approved by the Dean of the College.

b. Death of a member of a student's family which would place hardship on the family.

c. Sickness in a family which requires the attention of the student, verified by a physician.

d. Induction into the Armed Forces.

For students withdrawing from the college for the above reasons, semester hours will not be counted as work attempted and will be recorded as withdrawals from the college on the date indicated on the withdrawal form. For other withdrawals prior to the mid-term grading period, work will not be recorded as work attempted but will be recorded as withdrawals from the college on the date specified on the withdrawal form. When a student withdraws from the college after mid-term for any reason other than those listed above, the faculty members involved should submit to the office of the Registrar the student's grade card showing an "F" on the course which will be recorded in the transcript of the student. Also, the professor should show the student's actual grade which will be used by the Admissions Committee in determining the student's eligibility for re-admission to the College.

TRANSCRIPTS

Upon request, a student is entitled to one free copy of his college transcript. For additional copies there is a fee of \$1.00 each.

CHOWAN COLLEGE
FOUNDED 1846

The Curricula

Those students who, at the time of entering college, have not fully decided which course of study they desire to pursue are advised and urged to register for the liberal arts curriculum. Work in the liberal arts leads to degrees in teaching, medicine, religion, law, business administration, science, journalism, and various other professional fields.

DEPARTMENTS OF ARTS AND SCIENCES

The study of the arts and sciences serves several purposes.

To Communicate. The development of the ability to communicate is greatly aided by the study of languages (including English) and related subjects.

To Inquire Accurately. The study of natural and social sciences provides students with that broad knowledge of the world and the universe which is so important to human experience.

To Understand. The study of the humanities brings an understanding of the cultural heritage of the Western World and stimulates an appreciation of other cultures.

To Encourage Moral Growth. The study of religion encourages the development of a mature philosophy of life, whereby one acquires worth and personally satisfying life goals and the ability to make appropriate value judgments.

To Reason. The study of the sciences challenges the individual to think independently and creatively and helps to develop his skill in using the various methods of thought, research, and judgment.

In short, studies in the liberal arts and sciences broaden the student's understanding of himself, his cultural heritage, and his universe, and, thus, provide him with a strong foundation on which he may add successfully, throughout his life, additional blocks of knowledge.

*Cytotechnologists are skilled members of the health team with an indispensable role in the early detection of cancer. Working in pathology laboratories, they examine slides of human cells for abnormalities which indicate the presence of the disease. After two years of College, the student then takes six months of intensive training in an approved school of cytotechnology. In addition, a six-month apprenticeship is necessary before the person is eligible to take the examination in Exfoliative Cytology given by the Registry of Medical Technologists (ASCP).

Department of Business

The basic purpose of business is to provide young men and women with the necessary specialized training for a future of self-reliance and economic opportunity. Because the student of business should know the art of living as well as working, opportunities are offered for study in the arts and humanities.

The Department of Business offers transfer and vocational courses and curricula to serve the needs of all students.

1. Program for Transfer Students. Two years of studies are available to the student who plans to graduate from a four-year institution. The student who wishes to major in business administration, accounting, economics, finance, marketing, management, or secretarial administration, may qualify for junior-level status at a senior college or university by completing the first two years at Chowan College.

2. Program for Vocational Students. For the student who does not plan to continue his education beyond Chowan College, the Department of Business offers programs in business-vocational training. The department has as its objective the preparation of the student for employment in the field of accounting, secretarial administration, or general office training. This entire program is so planned that any student who desired to transfer to a four-year institution may easily do so. He may contact the chairman of the department for additional information.

POLICIES

Typewriting:

Each student enrolled in the Department of Business is advised to complete A MINIMUM OF ONE COLLEGE-LEVEL COURSE IN TYPEWRITING.

Placement in the typewriting course levels is as follows:

(a) A student with no previous experience in typewriting will enroll in Typewriting 101.

(b) A student with no more than one year of high school typewriting with a grade below "C" will enroll in Typewriting 102.

(c) A student with one complete year of high school typewriting, with a grade of "C" or better, will enroll in Typewriting 102.

(d) A student with more than one year of high school typewriting, with a grade of "C" or better, will enroll in Typewriting 102.

Any exceptions to the above guidelines are to be approved by the student's adviser, the instructor concerned, and the departmental chairman.

A minimum of two courses in college typewriting is normally required for all secretarial programs. Exceptions may be made where students achieve exceptional speed and accuracy levels. An approved substitution report will be executed by the student's adviser where such exceptions are made.

Shorthand:

Secretarial students are placed in the shorthand course levels as follows:

(a) A student with no previous experience in shorthand will enroll in Shorthand 111.

(b) A student with one year of high school experience in shorthand, or less,

with a grade below "C" will enroll in Shorthand 111.

(c) A student with one year of high school experience in shorthand, with a grade of "C" or better, will enroll in Shorthand 112.

(d) A student with two years of high school experience in shorthand, with a grade below "C" will enroll in Shorthand 112.

(e) A student with two years of high school experience in shorthand, with a grade of "C" or better, will enroll in Advanced Dictation 211.

Any exceptions to the above guidelines are to be approved by the student's adviser, the instructor concerned, and the departmental chairman.

Students enrolled in an associate secretarial curriculum normally complete as a minimum requirement shorthand through Advanced Dictation 211. Those students who begin in Advanced Dictation 211 normally will complete the Advanced Dictation 212.

The Certified Professional Secretary

The Certified Professional Secretary (CPS) rating is recognized as the measurement standard of proficiency for the secretarial profession. The only way to achieve the CPS rating is by taking the two-day, six-part examination.

Associate degree candidates are eligible to apply for this examination and subsequent certification. The following courses are recommended as minimum preparatory requirements: Economics 251—252; Accounting 141—142, 243; Business Law 281—282; Psychology 201; Financial Mathematics 161; Business Communications 202; Secretarial Procedures 223; and Data Processing 271.

Students who are interested should confer with their advisers.

This program is restricted to those students who have developed minimum shorthand skills of 100 words per minute and minimum typewriting skills of 55 words per minute in high school.

Associate Degree candidates are eligible to apply for the CPS Examination sponsored by the National Secretaries Association. Certification is dependent upon passing all six parts of the examination and completing two years of approved secretarial experience. The academic adviser will be consulted for complete information.

The CPS Certification is recognized by employers, many of whom reward personnel with higher salaries and promotions.

Course substitutions are not permitted in this program.

Applicants who wish to pursue the CPS Program should indicate their intentions on their application for admission.

Department of Graphic Arts and Photography

The curriculum offered in printing technology by the Department of Graphic Arts is recognized as one of the finest in the country, and credit for courses completed are accepted by the senior institutions offering degrees in graphic arts.

The department enjoys a reputation for leadership in educating young men and women for opportunities in the graphic arts and publishing industry. This reputation has grown as a result of constant updating of modern facilities and equipment, improving the curriculum and maintaining a competent and experienced faculty.

The basic objective of the Department of Graphic arts is to prepare students for successful careers in the printing, publishing and allied industries. The program of study is specifically directed toward careers in the areas of printing technology, printing production and printing management. The entire program is offered with a backdrop of liberal arts.

ENTRANCE REQUIREMENTS

General requirements for admission to the graphic arts program are given in the Academic Program section for this catalog. Other requisites include such things as an interest in printing, a keen and inquiring mind and industrious habits.

The two-year program is two-fold in that it offers the student an opportunity to prepare for a variety of positions in the printing and publishing industry. In addition, completion of the program earns the student an Associate Degree in Graphic Arts and prepares him for further study and a degree at a four-year institution.

PROGRAM OF STUDY

Although a description of courses in the graphic arts program follows it is pertinent to present a brief picture of specific opportunities available to students.

Students receive training in letterpress composition and production, including advertising and page makeup as well as presswork. In this area they are taught linotype fundamentals, teletypesetter perforator operation, machine maintenance and repair and monitoring of tape-operated typesetting machines.

Students are fully oriented and trained in electronic photosetting equipment for both hot and cold type composition and paste-up. They also receive intensive study and training in offset camera and plate production as well as color separation and offset press operation and maintenance.

Graphic arts students become proficient in their skills through participation in the production of all printing for the college, including catalogs, brochures, yearbooks and the production of a bi-weekly student newspaper and monthly college news-magazine.

COREQUISITES: Music 201-202.

171-172 Introduction to Music Literature — 2 semester hours each

A course for the music major designed to acquaint him with representative examples of the types, form, and styles of music with which he will have experience during his lifetime. Emphasis is placed on good listening techniques. Required of all music majors.

APPLIED MUSIC

The following courses in applied music are open to any student in the college. Work in applied music is regarded not merely as technical training in performance, but also as a study of the standard literature. Credit in applied music is given on the basis of (1) the stage of development and (2) the number of lessons per week. The general prerequisite for credit in applied music is a basic knowledge of the instrument to be studied.

All students taking applied music for credit are required to attend weekly student workshop-recitals and college sponsored concerts. Music majors must also participate in a musical organization and take part in prescribed concerts. A minor in piano is required of all music majors not having piano as their major. No credit will be given for preparatory piano, voice, or organ.

111A-112A First Year Voice — 1 or 2 semester hours each

One or two half-hour lessons per week and six or twelve practice hours per week, respectively.

211A-212A Second-Year Voice — 1 or 2 semester hours each

Ensembles

191 College Choir — 1 semester hour

Membership is open to any college student. Performances include fall, Christmas, and spring concerts, as well as numerous other on-campus engagements throughout the year. Three rehearsal hours per week. May be repeated for credit.

191T Touring Choir — 2 semester hours

Membership selected from the College Choir by the director. Performs various off-campus programs throughout the year, including an extensive tour in the spring. Two additional rehearsal hours per week. May be repeated for credit.

103 Stage Band — 1 semester hour

Open to all qualified instrumentalists on the campus. Three rehearsal hours per week. May be repeated for credit.

104 Concert Band — 1 semester hour

Open to all qualified instrumentalists on campus. Two rehearsal hours per week. May be repeated for credit.

181 College Orchestra — 1 semester hour

Open to all students with the permission of the director. Offered only if membership is sufficient. May be repeated for credit. One two-hour rehearsal per week.

Community Chorus — No credit

Open to all students and community persons. No audition required. Performs twice a year accompanied by orchestra. Participation is **required** of all students taking voice for credit. One rehearsal per week.

Other ensembles (no credit) are organized, from time to time for student participation.

Division of Dance

100 Introductory Ballet — 1 semester hour

For those with no previous ballet training or those whose techniques need strengthening in order for them to enter Ballet 1.

101 Ballet 1 — 1 semester hour

Barre, port de bras, basic adagio and allegro. History of dance from prehistoric times to the 15th century. Study of music, costume, etc., in relation to dance forms.

102 Ballet II — 1 semester hour

Barre, port de bras, adagio and allegro. More emphasis on work in center floor. History of dance from 16th century. Combined study of music, costume, decor, mime, etc., in relationship to the dance.

111 National Dance — 1 semester hour

Presentation and performance of traditional folk dances from around the world and their influence on the national dance forms of the United States. Includes study and calling of square dances.

112 Contemporary Dance — 1 semester hour

Study of America's most used dance forms: foxtrot, waltz, tango, rumba, samba, twist, and follow up. Emphasis will be placed on evolution of dance forms and ethnic origins.

201 Ballet III — 1 semester hour

Barre and center floor work at a more advanced level, supplemented by classes in pointe (women), men's classes stressing the technical achievements important to the male dancer, and variations and supported adagio (coed).

202 Ballet IV — 1 semester hour

Advanced classical ballet techniques taught with strict adherence to the principles demanded by professional companies. Includes basic human anatomy as it affects choreography.

211 Modern Dance I — 1 semester hour

Contemporary technique, improvisational and dramatic movement. Use of techniques which include the development of all movement forms from folk through avant garde dance. Study of modern ideologies from Duncan to Graham.

212 Modern Dance II — 1 semester hour

More advanced techniques in contemporary dance. Analysis of body movement as applicable original choreography in contemporary vein. Study of Indian and Oriental dance and their relationship to contemporary dance.

PRINTING TECHNOLOGY COURSES

166-167 Word Processing — 3 semester hours each

A study of the operation of the paper tape perforators, machines similar to typewriters which are used to punch perforated paper tape to automatically operate typesetting and photocomposition machines. Courses include orienta-

tion to the printing industry; practice in keyboard techniques; learning to read perforated tape; and punching tape for various compositions. Course also includes instruction in the operation of photocomposition machines, and basic "pasteup" methods. Two hours lecture and four hours laboratory per week.

PREREQUISITE: Typing 101

101 Introduction to Graphic Arts — 3 semester hours

A survey of the history of printing from Gutenberg to the present, and a study of the various printing processes, including letterpress and offset.

111 Principles of Typography — 4 semester hours

A review of the history of printing and basic fundamentals of graphic arts. Course includes instruction in printers' mathematics, elements in operation of photocomposition machines, both manual and automated, to set display and body type for various printing forms. Laboratory projects cover the assembling of various forms for newspaper production and commercial printing. Two hours lecture and three hours of laboratory per week.

121 Introductory Preparatory Offset — 4 semester hours

The study and functions of darkroom techniques and process camera in relation to line and halftone reproduction. The course acquaints the student with lithographic and offset printing processes which emphasize stripping, plates, and platemaking.

131 Elementary Presswork — 4 semester hours

Basic fundamentals are stressed in the operation of hand-fed, automatic platen presses and duplicator presses. Laboratory experiences include make-ready methods and procedures, imposition, lockup, color printing, and the care and maintenance of equipment. A study is made of inks, papers, and chemicals used in offset printing. Also a study of common pressroom problems.

213 Advanced Typography — 4 semester hours

Development and practice of efficient procedures in producing layouts for newspaper advertisements, commercial forms, book work, with a continuation of 111 to provide additional experience in photocomposition. Laboratory periods include preparation of working layouts and composition of various forms for printing by offset methods. Two hours lecture and three hours of laboratory per week.

PREREQUISITE: Principles of Typography 111.

223 Advanced Preparatory Offset — 4 semester hours

The course is a study of color theory in both indirect and direct methods of color separation. Emphasis is placed on special effects, duotones, flat color, and separation techniques. Detailed study is given to color stripping, registering, and platemaking.

PREREQUISITE: Introductory Preparatory Offset 121.

233 Offset Methods — 4 semester hours

This course consists of theory; practice and problems of offset printing. Pressroom efficiency, with emphasis on one and two color sheet-fed and web offset presses. Special problems which are encountered in the maintenance and operation of the sheet-fed and web offset presses, producing two, three and four color printing, are an integral part of the course.

PREREQUISITE: Elementary Presswork 131.

PHOTOGRAPHY

101 Basic Photography — 4 semester hours

A beginning course in practical photography with emphasis on craftsmanship, theory and visual communication, including laboratory experience. Thorough instruction in the operation of cameras and the processing and printing of black and white pictures.

102 Photographic Materials and Processes — 4 semester hours

An in-depth study of the materials and processes used in black and white photography. Standardization of processes and technique is stressed in order to develop creative control over the photographic process. This is done through study of sensitometry, various methods of development, and the many methods of exposure including the "zone system." Use of filters, basic lighting and design are also covered.

201 Color Photography — 4 semester hours

A comprehensive study of color theory, color vision, color reversal and negative materials, and methods of processing. Proper exposure in regard to light quality and quantity will be stressed.

202 Color Photography — 4 semester hours

A study of color theory as applied to producing color images on paper using both the subtractive and additive processes. The production of quality color prints through accurate color analysis is stressed. The latter part of the course will cover various special processes and derivations.

204 Commercial Photography — 3 semester hours

A study of the many aspects of commercial photography including extensive practical experience in many areas such as fashion, product, food and industrial photography. Thorough instruction in studio lighting, use of props and models, and use of the view camera.

205 Portraiture — 3 semester hours

A study of the types and variations of studio lighting and the techniques for photographing many types of portrait subjects including brides, men, women, children and pets. Much time will be spent in actual "on the job" situation.

206 Photography Workshop — 3 semester hours

An elective course involving independent study and research. Student will produce an extensive portfolio of black and white prints, color prints, and color transparencies. Research and experimentation in the photographic process is stressed. Offered during summer session only.

NEWSWRITING AND ADVERTISING

101 Techniques of Newspaper Publishing — 3 semester hours

A course covering all techniques of newspaper production by offset methods. Instruction is concentrated in three specific areas, taught by a team of professors, and includes typesetting by photocomposition, camera-platemaking techniques, and printing methods by web-fed and sheet-fed equipment. Three hours lecture per week.

103 Newswriting — 3 semester hours

Recognition and collection of all types of news, and the acquiring of skill in the clear-cut journalistic style of writing are considered. Contributions are submitted to school as well as outside publications. A study is made of the newspaper as an effective medium.

104 Newswriting — 3 semester hours

A continuation of Newswriting 103, with laboratory work in depth reporting, copy reading, proof reading and editing. Working as a news bureau will result in publication in area newspapers, and practice in feature-type news stories.

**121 Introduction to Newspaper Advertising Design and Sales —
3 semester hours**

Principles of advertising and its role in the printed media. Basic techniques of advertising design and sales methods are emphasized, with class projects and assignments.

106 English for Newswriters—2 semester hours

A course designed for the students in newswriting with emphasis on word study, including spelling, syllabication, hyphenation, and a review of grammar, capitalization, and punctuation. A study is also made of news writing styles and formats for wire service use.

Department of Health and Physical Education

Mr. James G. Garrison
Chairman

101 Hygiene — 3 semester hours

A course designed to give a general knowledge of the body that will result in a more wholesome life. Personal health problems are emphasized. Mental, physical and social factors influencing health are studied. Three hours per week.

104 Beginning Modern Dance — 1 semester hour

This course is designed to teach body conditioning, fundamental dance movement, and basic concepts of dance composition. Recommended for anyone interested in stage movement, fitness, or dance appreciation. Two hours per week.

105 Intermediate Modern Dance — 1 semester hour

This course is a more extensive study in body movement, body conditioning and dance composition. Improvisation and creativity are stressed. Two hours per week.

PREREQUISITE: Physical Education 104 or permission of the instructor.

107 Cheerleading — 1 semester hour

This course includes crowd management techniques, composition, and creation of cheers, planning effective pep rallies, stunts and tumbling techniques, and development of knowledge in sports to determine the correct use of cheers. May be repeated for credit. Two hours per week.

121 Beginning Swimming — 1 semester hour

A beginners course in swimming, which teaches elementary water activities, and starts teaching the basic strokes with particular emphasis on the "American Crawl". Two hours per week.

122 Intermediate Swimming — 1 semester hour

This course is offered for students who have passed our Beginning Swimming course or have shown a proficiency in our swimming test which is given as a part of orientation, but at the same time have not developed the skills to take an advanced course. Emphasis is placed on improving the mechanics and strength of the four basic strokes and other water skills such as treading water, etc. Two hours per week.

123 Beginning Tennis — 1 semester hour

A beginners course designed to teach basic rules and skills of the game. Two hours per week.

124 Advanced Tennis — 1 semester hour

Physical Education 123 or its equivalent is a pre-requisite. Two hours per week.

124 Softball and Volleyball — 1 semester hour

Two hours per week.

126 Weight-Training — 1 semester hour

Two hours per week.

127M Basketball (For Men Only) — 1 semester hour

Two hours per week.

127W Basketball (For Women Only) — 1 semester hour

Two hours per week.

128M Flag Football - Tumbling and Apparatus — 1 semester hour

For Men Only

Two hours per week.

128W Flag Football - Tumbling and Apparatus — 1 semester hour

For Women Only

Two hours per week.

129 "Basketball Officiating" — 1 semester hour

This course is designed to teach the mechanics, rules, and rule interpretations of basketball. It may serve as an apprenticeship for becoming a certified High School Official. Testing will be administered on mechanics and rules interpretation. Opportunity will be given the students of this class to improve their officiating skills working with the intramural program if they desire. Two hours per week.

130 Bait Casting — 1 semester hour

Two hours per week.

131 Physical Education Credit — 1 semester hour

For participation in 1st year of a varsity sport. (Football, Men's Basketball, Women's Basketball, Women's Volleyball, Baseball, Cross-Country, Track, Golf, Tennis, Wrestling.) Two hours per week.

231 Physical Education Credit — 1 semester hour

For participation in 2nd year varsity sport. (Football, Men's Basketball, Women's Basketball, Women's Volleyball, Cross-Country, Track, Golf, Tennis, Wrestling.) Two hours per week.

258 Advanced Swimming — 1 semester hour

Physical Education 122 or its equivalent is a pre-requisite for this course. This course is sanctioned by "The American Red Cross" and a Senior Lifesaving card is received upon the successful completion of it. Two hours per week.

Department of Language and Literature

**Mr. G. Kenneth Wolfskill
Acting Chairman**

**Division of English
Mr. G. Kenneth Wolfskill, Head**

101 Composition — 3 semester hours

A laboratory course in expository writing designed primarily to train the student in the writing skills necessary to do competent academic work on the college level. Primary emphasis on the various methods and techniques of developing the expository theme. Readings in general literature are also included as aids in writing themes. Three hours per week.

101 English As A Foreign Language — 3 semester hours

This course for students who do not have English as their native tongue has the same purposes and general nature as 101 Composition. Its approach differs from 101 Composition in focusing on more fundamental aspects of idiom and grammar while emphasizing methods and techniques of developing expository writing skills.

102 Composition and Introduction to Literature — 3 semester hours

English 102 is a genre-studies course, concentrating on form and meaning in the literary modes, poetry, drama and fiction. Writing is emphasized as in 101, but it is aimed specifically at the interpretation of literature. The course also introduces research skills.

PREREQUISITE: English 101

201 English Literature to 1800 — 3 semester hours

A survey of major British writers from the Anglo-Saxon period through the 18th century. See note below. Three hours per week.

PREREQUISITES: English 101 and 102

202 English Literature since 1800 — 3 semester hours

A survey of major British writers from the beginnings of Romanticism to the present day. See note below. Three hours per week.

PREREQUISITES: English 101 and 102

203 American Literature through Whitman — 3 semester hours

A survey of American authors from the colonial period through Transcendentalism and Walt Whitman. See note below. Three hours per week.

PREREQUISITES: English 101 and 102

204 American Literature since Whitman — 3 semester hours

A survey of American authors from the beginnings of Realism to the present day. See note below. Three hours per week.

PREREQUISITES: English 101 and 102

NOTE: In most curricula, a student may choose either sequence (English 201-202 or English 203-204) to fulfill the English requirements for his sophomore year. He must, however, complete one sequence to qualify for the associate degree. The only exemptions are those curricula requiring only 3 hours of English beyond the Freshman level.

210 Speech - Voice and Diction — 3 semester hours

This course is designed to assist the student in developing a pleasing and effective voice and in improving his articulation. Attention is given to phonetics. Three hours per week.

211 Speech - Public Speaking — 3 semester hours

This course in the elements of effective speaking is designed to develop skill in extemporaneous speaking. It stresses the preparation, organization, and delivery of various types of speeches in a variety of speech situations. Three hours per week.

**Division of Foreign Languages
Dr. William L. Felker, Head**

Basic and intermediate courses are taught in French and Spanish. Advanced composition, conversation and a survey of literature are offered on demand. Through these latter classes a student may earn between six and twelve semester hours in upper division or senior college studies.

Placement: Students with one or more years of high school Spanish or French should confer with the appropriate instructor in order to determine what course in language to take at Chowan. If a student has taken one or more years of language in high school but still feels his background is inadequate he may elect to begin with the basic first year college sequence and will receive full credit at this institution. Students with three or four years of high school language may be able to satisfy language requirements without further language study at Chowan. Transfer students with college credit already earned in Spanish or French should continue with the next highest language course offered here until the requirements of their curriculum are met.

Credit: All courses in the department carry three hours of academic credit. Spanish and French 101, 102, 201, 202 meet three times a week in the classroom, and require an additional scheduled hour of language laboratory drill per week. The department is equipped with a 30 booth language laboratory which is open during the afternoons for student use. Advanced courses in Spanish and French meet twice a week and do not have scheduled laboratory hours.

Requirements: The following programs of study require foreign language for graduation from Chowan College: Liberal Arts, Pre-Ministerial, Pre-Law, Pre-Pharmacy, Pre-Journalism. Students in other areas should take foreign language unless they are certain that it is not required at the senior institution to which they plan to transfer.

Courses numbered 101, 201, 203, 251 are offered only in the fall. Those numbered 102, 202, 204, 252 are offered only in the spring.

101-102 Elementary French — 3 semester hours each

For those with no previous study of the language. Fundamentals of grammar. Training in pronunciation. Essential vocabulary. Short compositions. Elementary readings during the second semester. One lab period per week.

201-202 Intermediate French — 3 semester hours each

Review of grammar. Advanced study of idiomatic constructions and vocabulary use. Readings. Basic composition technique. One lab period per week.

PREREQUISITE: French 101-102 or two years of high school French.

251-252 Introduction to French Literature — 3 semester hours each

Rapid review of most difficult parts of grammar. Survey of French Literature from Chanson de Roland to twentieth century. Library assignments and reports. Offered on demand.

PREREQUISITE: French 201-202 or three years of high school French.

SPANISH

101-102 Elementary Spanish — 3 semester hours each

For those with no previous study of the language. Fundamentals of grammar. Training in pronunciation. Essential vocabulary. Short compositions. Elementary readings during the second semester. One lab period per week.

201-202 Intermediate Spanish — 3 semester hours each

Review of grammar. Advanced study of idiomatic constructions and vocabulary use. Frequent dictations. Readings. Basic composition technique. One lab period per week.

PREREQUISITE: Spanish 101-102 or two years of high school Spanish.

203-204 Composition and Conversation — 3 semester hours each

Advanced training in speaking and writing. Emphasis on practical application of grammar and vocabulary. Study of literary models. Conversation sessions. Weekly compositions required. Offered on demand.

PREREQUISITE: Spanish 201-202 or three years of high school Spanish.

251-252 Introduction to Spanish Literature — 3 semester hours each

Rapid review of the most difficult parts of grammar. Survey of Spanish Literature from its beginnings to the twentieth century. Library assignments and reports. Offered on demand.

PREREQUISITE: Spanish 201-202 or three years of high school Spanish.

Department of Mathematics

Mr. Carl H. Simmons
Chairman

3 Plane Geometry — No credit

This course is comparable to a high school course in Euclidean geometry. This course is designed to give students a collection of geometric facts, an understanding and appreciation for the deductive process of reasoning, and an opportunity to engage in original thinking.

This course is designed for students whose high school transcripts indicate a deficiency in Geometry.

101-102 Introduction to Mathematics — 3 semester hours each

A study of basic concepts and the structure of mathematics, without undue concern for mathematical procedures. For the student with moderate secondary school training in mathematics desiring a terminal course outside the mathematics curricula. Appropriate for prospective elementary school teachers.

Topics studied in Math 101: Sets, mathematical systems, development of the real number system, number bases, and truth tables.

Topics studied in Math 102: Elementary geometry, evolution of geometry, introduction to algebra, functions and relations, and concepts of logic.

103 College Algebra — 3 semester hours

Standard college algebra course for freshmen. Topics discussed are: the real and complex number systems; sets and set operations; linear, quadratic, and exponential functions; systems of equations and inequalities, elementary matrices, and determinants; mathematical induction.

PREREQUISITE: Satisfactory score on placement test.

105 Analytic Trigonometry — 3 semester hours

This course is a study of trigonometry. The topics discussed are: The trigonometric functions, logarithmic functions, inverse functions, radian measure, solution of triangles and applications. Three hours per week.

PREREQUISITE: Mathematics 103 and Plane Geometry.

109 Algebra and Trigonometry — 5 semester hours

This is an integrated course in algebra and trigonometry. The topics are: the real and complex number systems; linear; quadratic, exponential, logarithmic, trigonometric, and inverse functions; inequalities, matrices, series, probability. This course will satisfy the Mathematics 103-105 requirements. Five hours per week.

PREREQUISITE: An above average score on the mathematics placement examination.

111 Engineering Drawing — 2 semester hours

Free-hand lettering, orthographic projection, auxiliary views sectional views, use of working drawing, isometric projection, technical sketching, perspective, pencil and ink tracing. One hour lecture, 2 hours laboratory per week.

112 Descriptive Geometry — 2 semester hours

Topics discussed are edge and normal views, straight lines and planes, curved lines, curved and warped surfaces, intersections, developments and vector geometry. One hour lecture, 2 hours laboratory per week.

210 Analytic Geometry and Calculus — 4 semester hours

The first of three semesters of unified course in analytic geometry and calculus. The topics studied are: the real number system; cartesian coordinates; functions; limits and continuity; the derivative; differentiation of algebraic functions; applications of derivatives; and antiderivatives.

PREREQUISITES: Math 109 or Math 103 and Math 105.

211 Analytic Geometry and Calculus — 4 semester hours

The second of three semesters of unified course in analytic geometry and calculus. The topics studied are: definite integrals; application of definite integrals; conics; transcendental functions; technique of integration; polar coordinates; parametric equations; improper integrals; and indeterminate forms.

PREREQUISITE: Math 210.

212 Analytic Geometry and Calculus — 4 semester hours

The third of three semesters of unified course in analytic geometry and calculus. The topics studied are: three-dimensional space; partial differentiation; multiple integrals; infinite series; and differential equations.

PREREQUISITE: Math 211.

289 Applied Differential Equations — 3 semester hours

A course in applied differential equations involves topics such as: first order and simple higher order differential equations and their application; linear differential equations and their application; solution by series, solution by Laplace Transformation and other topics. Offered in spring only on demand.

COREQUISITE: Mathematics 212.

Department of Religion and Philosophy

Mrs. Daisy Lou Mixon
Chairman

101 Old Testament — 3 semester hours

Introduction to Old Testament History. A fresh approach to the story of Ancient Israel by combining the elements of historical and archaeological research, literary criticism, and biblical theology.

102 New Testament — 3 semester hours

Introduction to New Testament History. An attempt to set forth the story of Christian origins against the background of its own social, political, and cultural setting.

103 Religion — 3 semester hours

TRAVEL IN ISRAEL: This course is designed to introduce the student, through travel and lecture, to the archaeology, geography, and history of Biblical lands. It is offered every two years between the fall and the spring semesters.

121 Honors Program in Religion — 3 semester hours

A second semester freshman with an over-all average of at least 3.0 on all work attempted may elect to do a religion honor rather than take Religion 102. This honors program will be offered during the Spring Semester of each year, the subject being announced during the preceding Fall Semester. Participants will be involved in one major research project each semester. Much of the student's work will be on an individual basis under the supervision of the professor who directs this program.

201 Introduction to Philosophy — 3 semester hours

This course is designed to introduce students to philosophical concepts and problems through consideration of representative philosophers. Open to sophomores.

Department of Science

Dr. Garth D. Faile
Chairman

BIOLOGY

101 General Biology — 4 semester hours

Fundamental characteristics of living matter from the molecular level to the ecological community with emphasis on general biological principles and processes. Three hours of lecture and one three-hour laboratory per week.

111 General Zoology — 4 semester hours

General principles and problems of animal biology with emphasis given to cellular organization and control, organ-systems and their physiology, evolutionary relationships among the major animal phyla, embryology, genetics and ecology. Important zoological principles and a survey of the animal kingdom will be included in the laboratory. Three hours of lecture and one three-hour laboratory per week.

PREREQUISITE: General Biology 101 or equivalent.

121 General Botany — 4 semester hours

Designed to cover morphology, life cycles and physiological processes of both the nonvascular and vascular plants. Evolution of structures and processes, the inter-relationships of plants and the importance of plants to the survival of life on earth are stressed. Observation and classification of local flora is included. Three hours of lecture and one three-hour laboratory per week.

PREREQUISITE: Biology 101 or equivalent.

221 Human Anatomy — 4 semester hours

Introduction to gross human anatomy which utilizes a systematic approach emphasizing structure, function and relationships of organs. Laboratory uses specimens to visualize the structure, unity and efficiency of the body. Three hours of lecture and one three-hour laboratory per week. Offered only in the fall semester.

222 Human Physiology — 4 semester hours

Chemical and physical processes of the human organism are developed at the cellular, systemic and organismic level with homeostasis as the unifying concept. Cardiovascular, muscular, and nervous mechanisms are stressed. Physiology of exercise is included. Laboratory includes cellular phenomena, tissue and organ mechanisms and functions of the entire human organism with data collection and interpretation stressed. Three hours of lecture and one three-hour laboratory per week. Offered only in the spring semester.

PREREQUISITE: Biology 221 or Biology 101. Chemistry 102 recommended.

241 Microbiology — 4 semester hours

Introduction to morphology, fundamental physiological processes and the identifications of micro-organisms with emphasis on bacteria. Study of infectious diseases and their control, and the economic importance of microbes. Exactness of laboratory techniques and procedures is required. Three hours of lecture and one three-hour laboratory per week. Offered only in the spring semester.

PREREQUISITES: Biology 101 and Biology 121-111, or permission of the department.

CHEMISTRY

102-103 General Chemistry — 4 semester hours each

This course emphasizes the fundamental principles, theories, laws and basic concepts of chemistry. The laboratory provides experience to enhance understanding of these concepts. Three hours of lecture and one three-hour laboratory per week.

COREQUISITE: Eligibility to take math 103.

202 Quantitative Analysis — 4 semester hours

This is a one-semester course involving the theory and practice of volumetric, gravimetric, and colorimetric analysis. Consists of three hours of lecture and one four-hour laboratory each week. To be offered only upon sufficient demand.

PREREQUISITES: Chemistry 102-103 and Mathematics 103-105 or equivalent.

275-276 Organic Chemistry — 4 semester hours each

This course includes a systematic study of the various aliphatic and aromatic hydrocarbons and their derivatives with emphasis on modern theories of structure and reactivity. The laboratory includes the synthesis purification and identification of organic compounds. Students are introduced to the use of gas chromatography and infrared spectroscopy in the laboratory. 275 is offered only in the fall semester and 276 is offered only in the spring semester.

PHYSICS

101 Physics. The Physical Universe — 4 semester hours

Uniform motion of a particle in a straight line and in a circle. Newton's laws of motion; gravitational, electric, and magnetic forces on a particle. Momentum and impulse; work and energy; physics of space exploration; motion and interference of waves. Three lectures and one two-hour laboratory period per week. Offered only in the fall semester.

PREREQUISITE: One unit of high school algebra and one unit of high school geometry or permission of instructor.

102 Physics. Microphysics — 4 semester hours

Fluid statics; elementary kinetic theory of an ideal gas; heat; thermal conduction, first law of thermodynamics. Sound waves and acoustic phenomena. Electrostatics of point charges in free space; steady currents and circuits. Light waves, geometrical optics and optical instruments, interference and diffraction phenomena, photoelectric effect. Bohr model of the atom, mechanism of lasers; radioactivity and nuclear physics. Three lectures and one two-hour laboratory per week. Offered only in the spring semester.

PREREQUISITES: Physics 101 or high school physics; one unit of high school geometry.

203 Physics. Macrophysics — 4 semester hours

Statics and dynamics of a particle in three dimensions; simple harmonic motion mechanics of a system of particles, rotational kinematics and dynamics, angular momentum. Kinetic theory and specific heats, entropy, first and second laws of thermodynamics, heat engines. Three lectures and one two-hour laboratory per week. Offered only in the fall semester.

PREREQUISITES: Physics 102 or equivalent, three years of high school math or Mathematics 103.

204 Physics. Analytical Physics. — 4 semester hours

Electrostatics, Gauss' Law, electromagnetism, Ampere's Law, Faraday's Law, Lenz's Law, capacitance and inductance. Series LRC circuits, electrical instruments, physical optics. Beginnings of quantum theory, wave particle dualism. Three lectures and one three-hour laboratory per week. Offered only in the spring semester.

INDEPENDENT STUDY

279 A, B, C, Biology — 1 semester hour each

289 A, B, C, Chemistry — 1 semester hour each

299 A, B, C, Physics — 1 semester hour each

This is an individual problem course designed to give the interested student additional laboratory experience. Each student will work under the direction of a faculty member on some problem of mutual interest. At the end of the semester a report on the project is submitted to the department.

PREREQUISITE: Consent of Professor.

Department of Social Science

Mr. Warren G. Sexton
Acting Chairman

101-102 Western Civilization — 3 semester hours each

A survey of history from the ancient times to the present. In the first course, emphasis is on major civilizations of the Near East, Greece, Rome, the Middle Ages, the Renaissance and the Reformation. The second course covers the leading events in world history from the early modern period through the present.

201-202 United States History — 3 semester hours each

A survey of the influences and forces that have made our country what it is today. Outside reading in primary and secondary sources.

SOCIOLOGY

205 Introductory Sociology — 3 semester hours

An introduction to the concepts of sociology. Consideration is given to culture, socialization, the human community, population, social class, the institutions of the family, economics, politics, religion, education, social change, dissent and post-industrial society.

207 Courtship and Marriage — 3 semester hours

An intensive study of the family as a basic institution of our culture. Included are topics such as dating, choice of mate, engagement, sex roles, communication, sex education, adjustment after marriage, and some basic principles in child rearing.

210 Social Problems — 3 semester hours

A study in greater depth of the major problems of society including crime, minority relations, social conflict, mental health and poverty. Opportunity is given for individual field research. Offered on sufficient demand.

GOVERNMENT

108 Government — 3 semester hours

An introduction to the basic principles, organization, and functions of American national government. A brief view is also taken of state governments.

GEOGRAPHY

151 Introductory Geography — 3 semester hours

This course is designed to introduce the student to the interrelationships that exist between man and his physical environment. Elements and classification of the physical environment, man's ability to adjust to or alter that environment, and the geographical processes resulting from that interaction will all be analyzed as they appear in major regions of the world.

251 Geography Foreign Study Tour — 3 semester hours

A guided tour of selected areas to study physical, economic, and cultural environments and their influence on man. A pre-tour reading and note-taking assignment, on-the-scene comments by the instructor or by local guides, and a post-tour written report will be utilized to give focus and meaning to the student's observations. Offered during the summer months upon sufficient demand.

PSYCHOLOGY

201 General Psychology — 3 semester hours

This is a survey of problems, methods, and findings of Psychology. Consideration is given to heredity, socialization, personality, mental health, drugs, prejudice, learning, thought control and aggression.

ECONOMICS

See course descriptions under Department of Business.

SOCIAL SCIENCE HONORS

An honors might be taught parallel to any course in the Social Science Department and would be designated by an "H" after the number of the course. An honors involves intensified study of the subject matter of the regular course and would involve research projects and seminar work. The students would be a limited number chosen by the professors. The course would carry three semester hours credit. An attempt will be made to schedule one honors each year.

The Creators And The Created

That there were two from the very start
We can hardly doubt, the first innocent
Enough, leaning hugely back and thrusting
His marble finger at the writhing dust.

That was one; the other was something else.
She knew how long to wait and what to do.
Dark, young, sinuous sufficient flesh and tresses,
She would suckle the race, and her passionate eyes

Merely **looked** her sister there! Then all three
Left Paradise, he clinging to her hand, glancing
Back, seeing neither mistress nor mother,
But a forbidden, foreordained, and necessary lover.

William E. Taylor
New Smyrna Beach, Florida

The Way Grandpa Lived

As wild turkeys roam the hills
by beechmash trees
he makes a yelper from the little bone
of a turkey wing, inserts it into a cork
stuck in the end of a coffeepot spout.
Sucking the end he mocks gobblers into range.

Shelby Stephenson
Lillington, North Carolina

Appendix To An Archaeology Paper

I'm just guessing now—
but I think you were
a small man,
about my mother's size
or little sister Kit's.
I hold
your flint point
in my hand.
It is still sharp
and still asks for you
with its coolness
on my palm.

The Riverview Lounge

**Mark Malone
Roxbury, Connecticut**

At the Riverview Lounge
it's so warm the girls
hatch newborn as baby chicks,
but that boy in the front
is bored with bodies
he can't take home;
the old man is lethal,
the falling g-string pains
him like a coronary.
That couple there, in the back,
couldn't come here as kids;
now she drinks his bourbon
kiss and offers herself
like a cherry cola.
The disco girl wears a smile,
Archaic Greek, but her marble
body has broken down,
gone fluid;
she knows outside
the river rushes cold in the dark,
but the fish are leaping.

**Carla Hoffman
South Bend, Indiana**

The Glass Dolphin

They drift in every winter,
and this evening, one with bone-grey skin,
lies beached on the sand.
His eyes: oval photographs,
one crowded with oceans
never visited, the other,
a history of land—
a country where your skin
becomes the color of glass,
where you want to fall asleep.

This body in front of us
is like a house left vacant.
The walls of flesh rest and darken,
pleased with defeat
because it is an end.
You say you shouldn't
have to see this again,
but you know you'll return.
Every death is a job.
You like to think dolphins
won't keep coming in,
that they'll just stay out there.
You don't know why you took this work.

When the garbage men brought the chain saws
You began walking towards the water.
It was calm, without waves
or swimmers, some seagulls
coasted just above the ocean's surface.
There were no voices behind you,
everyone knew what he had to do.
All you heard was the sound of teeth
before you dove underwater.

James Frazee
Dallas, Texas

***A Pair Of White Tennis Shoes
In The Laundromat Dryer***

No seven league boots these,
But flour-white tireless shoes
Climbing the electric circle
Of a tumbling world.
Again and again
Like some modern, canvas
Sisyphus they cling
To sides, to top
To fall to the revolving bottom
And begin their journey
Once more. This trip
Makes equal sense
To other shoes
That plod, but on a larger scale,
On a circle that runs
On more than just a quarter.

Pendleton, Oregon**

(untitled)

In touching the freshness of morning
We rode on—expecting noon or near.
But somehow the time won't come or go,
Just for me or noon or you.
Stillness of morning creeps in as we turn—
Guessing the world forgot to spin, or
 The sun to rise over the dew to rob
 Us of our diamonds, and scorch our backs.
Miles on we turn to nite, but never passing noon.

**Robin Costner
Raleigh, North Carolina**

Before the Fall

Rain falls
on new-green leaves:
I listen
to the staccato song
of hooves galloping
along branches
of the fig tree,
and wait
naked
for you.

And when you come
we shall bathe
in fallen blossoms
which smell of apples,
and wait for the unicorn
to bow down,
and with one horn,
scoop us onto his narrow back
and ride through the rain.

12/28/76

This angel steps out of a painting that hangs
in a penthouse on Park Avenue in New York City.

He's chewing tobacco, and fishing out of season,
in Kelly's Creek in West Virginia. He tells his

owner: "I sit on my front porch, my unpainted
mind full of Elizabethan relics. Fear of failure

doesn't disturb me. I live on my mollygrub fare
and rocking-chair money. I don't prefer eternal

salvation to color TV, cadillacs, and Las Vegas,
but at least the former is possible." He tells

his owner to "plant by the light of the moon,
to believe in spells and exorcism. I am primitive,"

he says, "but proud. I can cast out demons.
If I found them on your personal property I'd

blast them to bits with my trusty rifle. I was born,"
he adds, "in the bloody mine wars and before the 1920's."

His owner listens carefully, then consigns him to the outer
limits of hell, which is back inside the frame of his painting.

Huntington, West Virginia**

Ecclesiastes

Desolation is a place
My soul knows well
Vast wasteland cold and drear,
No plant grows here.

And indeed there is a time
For everything
And to each its season
Mine not to reason
Mine now to mourn
To spin out wearily life's slender thread
Which, fragile as a spider's web,
Floats on the breath of sorrow.

Tomorrow
Rock-hard ground will yield to coming rain
The seed pod burst
And you,
I,
We
Shall know the flowers again.
